Get Big Salmon.—Carl Larson and
John Ferguson went out over the bar
yesterday on a salmon trolling trip
and landed a big salmon outside.

Name Manager.—Col. E. Hofer who
was here to debate for the "Wets"
announced that E. D. McArthur had
been appointed Coos County manager
of the anti-prohibition forces.

Back on Duty.—Gordon Smith has
returned to his duties at the fire sta-
tion after having been quarantined
because of the sickness of his son
with a severe attack of scarlet fever.

New Secretary.—Herbert Buserud
has been appointed secretary of the
Millcooma Club in place of R. T. Kauf-
man, who resigned recently owing to
the press of other business.

Killed Deer.—Dr. A. L. House-
worth and John LaChapelle yester-
day killed a fine buck on Coos River.
Jesse Franz wounded him first, then
Dr. Houseworth hit him and finally
a bullet from LaChapelle's gun
brought him down.

Starts Laundry.—Edgar Mauzey
has received word that his brother-
in-law, Jas. Hibbard, started up again
week. Mr. Hibbard's laundry there
was destroyed by fire a few months
ago.

Will Go to School.—Merle Stem-
merman and Hazel Cowan expect to
come down from Allegany in the
morning and will leave at once for
Gravelford, where they will enter
school for the winter. Miss Cowan
has just graduated from the eighth
grade at Allegany, finishing there last
week.

New Store.—J. L. Bowman of the
Woolen Mill Store is now opening a
fine retail store in Seattle. His new
clothing factory is going fine and
his \$30,000 home at Irvington is one
of the finest ever, according to Geo.
Rotnor, who has just returned from a
visit in Portland.

Increase in Enrollment.—School
Supt. Tiedgen reports an increase of
55 pupils in the Marshfield public
schools for the first three weeks of
school. Last year on the same date
there were 625 pupils and this year
there are 684. The attendance, how-
ever, has averaged the same, due, no
doubt to the threatened epidemic of
contagious diseases.

Want Night Watch.—Fred McClees
is circulating a petition among the
business men today asking that an
additional night watch be put on the
Marshfield police force and the peti-
tion asks that Walter Condon be
named. It is stated in the petition
that the increasing number of rob-
beries and offenses requires the addi-
tional protection.

Will Go to Ranching.—E. W. Sul-
livan and Wm. E. Sullivan have de-
cided to go into the ranch business
as a side issue and today
closed a deal with Frank Sanborn for
his eighty-acre ranch back of Coos-
ton. Mr. Sanborn plans to spend the
winter in southern California and re-
turn here next spring. The consider-
ation was \$3500. The deal was made
through W. A. Reid.

Move South.—Tom Nicols and wife
plan to leave in December for Berke-
ley, Cal., where they will make their
home. Mrs. Nicols' parents reside
there and as they are getting old they
want her to look after them. Mr.
Nicols is making arrangements to
handle the city and suburban trade
for the same firm that he has been
covering this section for.

Get Fine Pulp.—The pulp mill
Friday turned out the first of the
first-grade pulp that it has made
since it resumed last Monday. About
ten tons of the highest grade pulp
was obtained. Everything is going
fine at the plant and Manager Ner-
drum is highly gratified with the
success.

Reduce Wages.—According to a re-
port here today, some of the Coos
county lumber mills and logging
camps are facing a ten per cent re-
duction in wages owing to the poor

lumber market. It is said that some
of the northern mills have reduced
wages twenty per cent and are work-
ing only five hours or so a day. As
the Coos county mills have to com-
pete with the northern mills in sell-
ing they must be able to produce
just as cheaply.
