The Ladies' Art Club at its last meeting inaugurated a campaign to forward the city beautifying move- ment which has been talked of re- cently. The club passed resolutions favoring it and urging the co-opera- tion of all the other clubs in Marsh- field. It is expected that all will co-operate and that the Chamber of Commerce and city officials will im- mediately take up the work. The resolution passed yesterday is as fol- lows:

WHEREAS, a city beautiful is an important factor in the development of civic pride, and

WHEREAS, Beautiful homes and well kept grounds and surroundings, whether public or private, and especially our school grounds where the children should get the first inspi- ration in public beauty, tend to moral betterment and a higher standard of living that results in greater health and happiness to the whole people, therefore be it

RESOLVED, By the Ladies' Art Club that we invite the members of all the other women's clubs of this city to join us in a concerted move- ment for a campaign for beautifying Marshfield, and urge the co-opera- tion of the Chamber of Commerce and other civic bodies, together with the property owners in this move- ment.

RESOLVED, That a committee of three be selected to confer with a similar committee from other wo- men's clubs and that these commit- tees select a general committee to supervise and conduct a general cam- paign of civic improvement, and be it further,

RESOLVED, That a copy of these resolutions be forwarded to the secre- taries of the other women's clubs and furnished the Marshfield papers for publication.

**BRINGS IN PANTHER PELT.**

J. A. Deadmond, of Fairview, brought in to the county clerk's of- fice a couple of pelts that drew some money. One was a bob cat and the other a panther nearly eight feet long. The latter was shot Septem- ber 22 in the timber in Section 28 on the west side of that valley. The hide was well cured and the county pays \$10 and the state game commis- sion \$15 for a panther. At that rate hardly one a month is brought in now. The wild cat was worth only \$5, the state paying for them now.—Coquille Sentinel.
