Celebrate Edison Day in your own home

The most fitting tribute any of us could possibly pay to the genius Edison on October 21, would be to place in our homes the highest development of his latest invention—

EDISON MAZDA LAMPS

Electric light is now an inexpensive luxury that all may enjoy. EDISON MAZDAS have taken electric light out of the cost-of-living list and placed it among the economies. EDISON MAZDAS give from 3 to 6 times as much light as the ordinary carbon lamp give—without using any more electricity. That means more light without any increase in your lighting bill. If your house isn't wired—let us tell you how easily and cheaply the work can be done.

few days with his son, Dr. Morrow, who came here recently.

Deliver Address.—Dr. Mattie B. Shaw will deliver an address on "The Nervous System of the Child" at the High school auditorium Friday morning at 10 o'clock. The public is invited to hear the address.

Fine Weather.—The warm, sunny weather the last few days is giving Coos Bay a second spring or summer season this year. To add to the reality of it, Herman Hilyer says that a number of fruit trees in South Marshfield are in full bloom.

Saloon Not Robbed.—There was no robbery at the Eagle Bar last night as was reported several times about town today. It is declared the night man misplaced the change, always left at closing time, and this gave rise to the rumor of the robbery.

Prize Dog Here.—Dr. Geo. E. Dix received his prize Irish setter, Erin Kildaire, on the Breakwater today. The dog has been trained by a Portland fancier and recently won several prizes at the Seattle dog show. He is a beauty and will be taken to Frank Laise's ranch in the Sand Hills.

Lone Man Appears.—But one lone man appeared before Police Judge Butler this morning on the charge of being drunk last night. The court room looked deserted on account of the slack business. J. L. Hicking had no money to pay the \$5 fine for the first offense and was told to get out of town.

Blames Other.—Ralph Culver, who was arrested the other night for assaulting Harry Herbert, says that the latter's real name is Murphy and furthermore declared that the evidence shows that Murphy was to blame. City Recorder Butler gave them a good talking to and did not impose a fine.

Closes Wasson Saloon.—The failure of John Wasson to pay a bill of \$226.90 which he owed the Coos Bay Eagle Brewing Company, resulted in the closing of his saloon at Empire. The bill had run since August 18 and the company demanded payment, which was not forthcoming.

Voluntary Bankruptcy.—John W. Rogers filed a petition in the justice court this morning to go into voluntary bankruptcy and his team of horses, held by Constable Cox for non-payment of a grocery bill owed to George E. Cook, was released. The man went into bankruptcy for about \$200 of unpaid bills. Several days ago, on the eve of his departure with his family to a homestead above Myrtle Point the team was taken by order of the court and held for the bill.

Gypsies Leave.—Sented in the center of a large raft which was to transport them up to Allegany, a gypsy band of 29, of which 16 were children, attracted the attention of the waterfront this afternoon. Wagons and horses were loaded aboard the raft. Contentedly the women and men sat smoking while the children ate dry bread to allay an appetite supposedly caused by the salt sea air. The band expects to go into Eugene by way of Drain.
