Who Gets The Money

ACCORDING to the poster campaigning of the "wets," if their cause meets defeat there will be some thousands of vacant stores in Portland, or words to that effect. The inference is that Portland business men will be out and injured, because there will be less money spent. We do not understand why there should be less money to spend except as the argument is made that a fewer number of people will come to Portland to spend it.

Veritable flapdoodle is all this. If the "dry cause is triumphant and in course of time, according to the provisions of the law, the saloons close their doors, the clothier and the show man and the haberdasher, and the grocer and feed man and the dry goods merchant will all be in business. They will all have goods to sell and people will come to buy them just as they do now.

In that connection there is just a thought. Do the clothiers, the shoe men, the dry goods men and the rest get the money that is brought into Portland to be spent with them? Not always. And why not? Because the saloon intercepts it.

Consider the lumberjack, for example, who comes to town with a pocket full of money—a month's or maybe a season's wages. He expects to buy clothes and shoes and all the rest of it; but before he does that he'll take a drink. That is the beginning and the beginning and the end may be in one saloon or distributed among many. As he drinks, bibulous enthusiasm possesses his soul, generosity exudes. He is a prince as long as he has a dollar, but when his dollars are gone he is a "dub." He appears before Judge Stevenson in the morning with nothing to show for his month's or his season's work but a headache and a court record.

Did the clothing man or the shoe man, or the furnishing-goods man get his money? Not a bit of it. Who did get it? The saloons.
The bare statement of a case like that, and there are hundreds if not thousands of them, tells the whole story.—Portland Telegram. (Paid Adv.)

A HORSE OR A CHILD—WHICH?

The proposed Dentistry Bill gives the preference to the horse.
To treat a horse, a veterinary surgeon in Oregon must have three full college years of special study and a diploma of graduation from a recognized college.

To treat the mouth of a child, the Dentistry Bill requires of a dentist but 12 months' training.

The mouth of a child may be disfigured for life by neglect or unskilled treatment.

DOES YOUR CHILD DESERVE AS MUCH AS YOUR HORSE?

"A Political Party, a Person or a Candidate Who Will Misrepresent an Opponent Will Misrepresent a People."

Above is all that Mr. Hawley will have to say to this community regarding the statements of his opposition. The egotism, bombast and small attempt to belittle his opponent's work in Congress by paid advertisement should in itself be answer enough to the people of this district to show the calibre of the man who is seeking their suffrage; Coos county should KNOW that Mr. Hawley has secured every appropriation for its harbors and rivers that that was recommended by the Board of Army Engineers, and appeared before them many times to get favorable action. No other Congressman in the United States has done more, no matter what state or district they represented or to what political party they may belong. WHY YOU SHOULD VOTE FOR BOOTH
REPUBLICAN CANDIDATE FOR UNITED STATES SENATOR
Are you better off now than you were under a Republican administration?
Are you satisfied?
If you believe in the principles of the Republican party, if you are convinced that these principles are best for the country, then prove it

by voting for your standard bearer, Robert A. Booth, Republican candidate for the United States Senate.
You know that under Republican Presidents the people of the United States have good times.
You know that under Democratic Presidents you have Democratic times.

Remember the prosperity under McKinley, Roosevelt and Taft.

Remember conditions under Cleveland and Wilson.

The issue in this campaign is not one of personality. It is not one of non-partisanship. It is a question of whether you prefer prosperity under Republican administration.

Do you have enough work? Are your wages good? Is your business what you want it to be?

If you are satisfied with present conditions, well and good; if you believe that the present situation is better than under McKinley, Roosevelt and Taft, you know what to do.

The way to bring back prosperity is to help elect a Republican Senate. The Republican candidate in Oregon is R. A. Booth.

This is a Republican year. Vote the ticket straight.
