

OUTSTANDING BARGAINS

Unforeseen circumstances have made it absolutely necessary for me to throw my entire stock of merchandise on the market at sacrifice prices. Nothing has been reserved. Everything must go and go immediately. The matter of price has not even been given consideration. The stock must be turned into cash at an early date. I know that I will be the loser, but it can't be helped. It is your gain—your opportunity. The stock of the exclusive ladies store will soon be no more. First come, first served. Be here the first hour of the first day.
