**The Cheerful Warmth of a Gas Room Heater chases chill and gloom**

There is nothing so cheerless and gloomy as a cold room.  
Most every house has its cold room or cold corner which is avoided as a pest.  
The gas room heater will make such a place inviting and cozy—put a tone of cheer in the entire household.

Gas room heaters are light—easily moved from room to room. You can have the heat just where you need it.  
Gas room heaters are inexpensive to buy—and cost little to operate. See the complete display of gas room heaters at the Oregon Power Company office. Everything from a tiny bathroom heater up.

Use iron pipe connections—not rubber tubing.
