### GERMANS WITHIN FIFTY MILES OF CALAIS AND WAGE FEARFUL BATTLE

Kaiser's Troops Much Nearer Dunkirk, One Other Objective Point, and Terrific Onslaughts are Being Made on Allies Lines Again Today .

QUIET PREVAILS ALONG BALANCE OF LONG BATTLE LINE IN NORTHERN AND EASTERN FRANCE

French Silent Today as to Gains and Losses at Vital Point Upon the Outcome of Which Hinges Future Campaign of Germany Near Coast

(By Associated Press to The Coos Bay Times.)

LONDON, Nov. 12.-With Dixmude in their possession and ss than 50 miles from Calais and much nearer Dunkirk, the ermans were waging still an undecided conflict today with The foot and mouth disease now feadly fury against the Allies. Over all other parts of the raging among the cattle in tourteen ng hattle lines of Europe, comparative quiet prevails.

On the Servian border sharp fighting is in progress and the the U. S. Bepartment of Agriculture On the Servian border sharp righting is in progress and the furks are in action against the Russians, but on the main announced today, but its effect rarely Blanco, who announced his intention. The Department urged, of being loyal to the convention. russian border and in Galicia there apparently is a lull.

On the success or failure of the German attempt to force way through to the English channel at whatever cost may the use of pasteurized milk. pend the future of the campaign, not only in Belgium, but

In contrast with yesterday's frank admission of German advance, including the capture of Dixmude, the French offirial statement today was non-commital. There are no inlications whether the Germans have succeeded in pushing urther their advance.

### GERMANS CROSS YSER AND HAVE ENGLISH PUZZLED BY NEW ATTACK

(By Associated Press to The Coos Bay Times.)

LONDON, Nov. 12.—In certain places north of Dixmude, e Germans are at least on the left bank of the Yser, that is, on the side nearest the French coast towns, and their attack a new chairman. The President adinstead of concentrating to the southward below Ypres, aptarently has been renewed almost on the solution of the solution of the solution of the solution of the committee it would have to get

The allies continue to occupy tone adopted by their spokesman, Ypres, Shells falling in the town W. M. Trotter of Boston, and told yesterday killed four children. Aeroplanes are reported to have dropped bombs which damaged the church and town hall and set fire to several the municipal authorities for the manner in which the German troops are quartered. Train loads of are quartered. Train loads of wounded are continuously being con-veyed from the battlefields.

## LIMIT OF MICHE Over 23 Transport Loads

Says Accident on Columbia Demonstrated That She Can Not Work in Deep Water

to thirty feet of water or less in destination reported to be Egypt, dredging operations is the opinion of Capt. T. J. Maegenn. He points out that the accident in the Columbia River demonstrated this. He says that the big suction drag had been let out to reach bottom and was out to its full length, so that when the Michie raised and lowered on the swells, the suction drag was perpen dicular beneath her. Consequently when she struck bottom and the wells allowed the Michie's bulk to American Federation of Labor sink on the cast iron suction drag, it had to break. As long as the Michie was working where the water was not deep enough to permit the drag to swing perpendicularly underneath the dredge's hulk, there was no dan-

### GERMAN SUBMARINE SINKS ENGLISH TORPEDO BOAT OFF ENGLISH COAST

(By Associated Press to The Coos Bay Times.)

LONDON, Nov. 12.—The British torpedo gunboat Niger has been torpedoed by a submarine in The Downs, according to an official announcement last night. The Niger foundered, but all the officers and crew were saved. Two men were severely wounded and two less seriously hurt. The Downs is a portion of the North Sea off the southeast coast of England, between the north and south forelands. Goodwin Sands, a part of The Downs, are supposed to furnish especial security for shipping.

With Adequate Heating Plant William Grimes and D. T. Flynn Will Erect Structure

The erection of a \$20,000 to \$25,-100 two-story brick office and store building at the corner of Central avemue and Second street will be com-menced in the spring by William Grimes and Hon. D. T. Flynn, of Oklahoma, roviding an adequate heating arrangement can be made. secording to the statement today by Mr. Grinies. Several weeks ago Mr. Flynn became interested in the project and his trip here this week has been for the purpose of looking over the ground and making preparations for the building

At the present time W. S. Chandler Is planning on a heating system to supply the two brick blocks between for the troubles of Mrs. Mabel M. Broadway and Second street on Cen-Kinney and she was given a divorce tral avenue and also for the buildings to be erected at the corner of Central avenue and Second street. With these plans perfected Mr. Grimes and Mr. Flynn are prepared to go ahead with their structure.

At this corner the two men own a tract 50 feet wide by 100 feet in length, the probable size of the build-Capt. Macgenn explained this to day's convention of the American morning Mr. Flynn leaves again for his home at Oklahoma City and it is not probable that he will return here

American family. Every cent for equipment of the hospital was contributed by Americans.

Eleven Cases on Circuit Court Docket Yesterday—Clean Up of Slate Made

Ordering a general cleanup of the long-standing divorce cases on the docket of the circuit court, eleven cases were heard before Judge Coke yesterday and unhappy wives and husbands parted from their bonds of matrimony. Three of the cases were from Marshfield and from North Bend there were two.

On the plea of cruel and inhuman treatment, Edith Gjermundson se-cured a release from Oscar Gjermundson to whom she had been married for about five years and who is now living in Montana. The mother was given the custody of one child.

from her husband Ezra N. Kinney who is now an employee of the bucket dredge Oregon. Mrs. Kinney also received \$75 suit money, \$15 a month alimony and the custody of the one child, about 18 months old.

Because he had betn convicted of felony and is now serving a six months to seven years term in the state penitentiary for horse stealing ing, Mrs. Ethel May Vaughn was given a divorce decree from Frank Vaughn. She will have the custody of one child. The three Marshfield cases were tried by Graves and Mc-Inturf while Attorney Hyde handled the two suits from North Bend. Of the latter Samuel Verney was given release from his wife Jennie Verney on the grounds of desertion. Mrs. Verney has been gone for about

Mrs. Frank Lapp was given a di-vorce from her husband, to whom she had been married for about four years, on the grounds of non-support. Three of the other cases were from Bandou, one from Coquille and another from Myrtle Point.
