Sold 25 in Three Evenings

Stockett, Mont., Jan. 14, 1914.
Dear Sir: Find enclosed draft to cover order. I have been out only three nights and sold 25 lamps all told. This lamp beats anything I ever saw to sell. Everybody wants it. Look out for my next order. I remain,
C. C. BOYNTON.

This Man Succeeded Without Experience

Oakville, Minn., Aug. 24, 1914.
The Mantle Lamp Co., of America
Gentlemen:—I have been handling the Aladdin Lamp since the first of March, canvassing throughout the entire country, especially among the farmers, during the most adverse season of the year. The farmers are then busy in the field, there is a scarcity of money and the country is very short. In spite of this big handicap as well as being only a common laborer with very little education and no experience as a distributor at all, I succeeded very well. As yet I have not received one complaint. Last year there was another kind of a mantle lamp in this country and the people were so disappointed that they threw these lamps out of their homes and the Aladdin has taken their places. I have only worked during spare time—about thirty days in all—and have sold eighty lamps. I have not missed one sale on any one trip and have sold as high as four and five lamps a day. I always recommend the table lamp as an all around lamp but where the people want a very fine light in the parlor or sitting room, the No. 115 hanging lamp cannot very well be beat. Last Saturday, August 15th I sold three hanging lamps No. 115 and one No. 101 table lamp. I started the day at 9:30 and worked until 4 o'clock. Then drove twenty miles for home as it was Saturday evening and I tell you, gentlemen, my day's success looked fine to me, after having been used to working with a thrashing machine in the Fall from 10 to 14 hours a day on the dirt and dirt for only \$2.00 a day.
Yours very truly,
Route 5 J. A. JUNGNER.

6 Years Satisfactory Service

Tulare, Calif.
You asked me in a recent letter how I liked my lamp purchased over a year ago. The lamp is a beauty. I am still using the same mantle and chimney and they are O. K. My sister bought one of your early model lamps in 1906, she just loves the lamp and could not do without it.
Your friend, J. H. LUNDGREN

Pays For Itself In Oil Saved

14 Great Universities Back Our Claims

Recent tests by great light scientists at 14 leading Universities throughout the United States and Canada, show that the Aladdin gives nearly three times as much light as the best round wick, open flame lamps and yet burns only about one-half the oil. These same scientific tests showed that the quality of the light of the Aladdin has no superior, even excelling Tungsten electric, and nearest of any to sunlight. Lights the whole room. Reading, sewing, fancy-work, studying, games—all can go on, in any part of the room, with comfort and pleasure for everyone. A good study light is necessary for good results in school work. Save the eyes of your children.

Many Men With Rigs or Autos Are Making \$100.00 to \$300.00 Per Month Delivering Aladdin Lamps on Our Easy Trial Plan

No previous experience is necessary. Practically every farm home or small town home needs it and will buy after trying. One farmer who had never sold anything in his life before writes: "I sold 57 lamps the first seven days." Another who ordered over 200 in 30 days says: "I consider the Aladdin the best agency proposition I have ever had, and I have done agency work for 10 years." Another says: "I disposed of 34 lamps out of 31 calls." Thousands of others who are coining money endorse it just as strongly.

Another Sold Over 800 Lamps With Money Back Guarantee—Not One Returned

He writes: "I have sold over eight hundred Aladdin lamps in the past year and a half, requesting every buyer to return the lamp to me at any time they preferred their money back. I have never had a lamp returned."
