Services Tonight.—There will be services this evening at 7:30 o'clock in the Swedish Lutheran church.

Sinslaw Bar Better.—Captain Skog came up from Empire last evening to attend a meeting of the Elks' lodge. He reports that the Sinslaw bar is better now than it has been for some time.

In Roseburg.—T. R. Sheridan, of North Bend, Coos county, arrived in Roseburg last evening to pass a few

days on business. He was called here as a witness in a number of cases to be tried in the circuit court during the present term. In most of the cases the old First National Bank is the defendant.

School Opening.—The formal opening of the new school building of the consolidated Coos River district will be held Saturday evening, Feb. 27. A program will be given under the direction of F. A. Gilliland, principal of the school. The launch Hope will be run from Marshfield to take visitors from this city.

Moves to North Bend.—J. D. Moughmer of the contracting firm of Moughmer & Roop, has moved his household effects to North Bend, where with his family he has moved into a residence on Sherman avenue. Mr. Moughmer has most of his business interests in North Bend and thought it best to move closer to his work.

Gift to Library.—James H. Flanagan has sent the President of the Public Library Board, Mrs. Henry Sengstacken, a check for \$25, a gift to the book fund of the library, which is greatly appreciated, as the demand for new books increases daily. This makes a total of \$100 Mr. Flanagan has given to the library.

Game Man Here.—E. S. Catron, Inspector of the U. S. Biological Survey in Oregon, Washington and Idaho arrived here today to spend a week or two in this section. Deputy Game Warden Thomas is showing him around and it is likely that a meeting of the Coos Bay Fish & Game Protective Association will be called to welcome him here.

Left His Tya Diet.—Ernest Smith wandered away from his usual tent last evening, got his wires crossed and his drinks mixed. Not long after this procedure he was found by Officer Doane wildly calling for a tow and was given a lift as far as the city jail where he laid himself down with a sigh and slept off his load. When he paid the \$5 assessment this morning he still had 71 cents left with which to celebrate the occasion.

Wedded Last Night.—Chas. H. Mears of Marshfield, and Miss Blanche Jones, daughter of Mr. and Mrs. Edward W. Jones of Myrtle Point, were married at Myrtle Point last evening, Rev. Mr. Burns officiating. About forty-five friends and relatives were in attendance at the nuptials. They will reside on South Fourth street, Marshfield. Mr. Mears is a brakeman on the local railway and a host of friends will unite in extending congratulations.

Pulls Drunk from Bay.—William Sullivan is receiving congratulations as a life saver, for yesterday he ran down to the float at the foot of Central Ave., and pulled a drunken man from the Bay after he had fallen into the briny deep from the launch Wanda tied at the dock. Sullivan grabbed the man by the collar and yanked him back to the land. By that time the man had slightly sobered up and was again able to launch himself aboard the boat with the ability to stay aboard.

Regret Trouble.—Herman Sanford of the Sumner Hall company was in Marshfield today. He said that they regretted very much the trouble that occurred in Sumner last Saturday night when the last dance was held. He said that neither Wilson nor Cutlip lived at Sumner and he said that the trouble occurred outside the hall. The Sumner dances have been among the most enjoyable and successful held in this section and Messrs. Sanford and Selander wish it understood that every endeavor is made to prevent difficulty.

Personals

F. H. WAITE left overland yesterday for Sutherlin. W. P. MCKENNA and wife of Lampa are Marshfield visitors today. WM. FARRIN of Sumner is a Marshfield business visitor today.

Mrs. Anna L. Bingham granted a divorce from her husband, Francis J. Bingham, former operator of the excelsior mill at South Inlet, on the charge of cruel and inhuman treatment. The wife, who is a daughter of Mr. and Mrs. S. W. Van Zile, of North Bend, was given the custody of Francis J. Bingham, Jr., the 10-year-old child of the couple, and \$20 a month for the support and education of the boy.

The couple was married in 1905. According to the divorce decree, the father is allowed to visit the son at certain times. A decision was also handed down yesterday afternoon by Judge Coke in the case of Robert Marsden, Sr., versus Fannie O'Donnell, allowing the claim of the former that by a verbal contract he had agreed to pay \$800 for two Bunker Hill lots. Mrs. O'Donnell claimed that the agreement was that Marsden would assume a \$300 judgment against the property in addition to the \$800.

In was this contention that led to Mrs. O'Donnell going to the place, on which has been erected a house rented to other parties, and walking up and down the porch exclaiming that there were "two Swedes in the house that I want to get." This led to her arrest by Constable Cox and may be a case appearing later on the Circuit Court docket.

By the decision of yesterday, Mr. Marsden must pay the money within the next ten days, and at that time Mrs. O'Donnell must deliver to him a deed for the property.

AMONG THE SICK Varney Brothers, who were injured a short time ago at the Smith-Powers Construction camp near Myrtle Point, are reported to be doing nicely. Both were injured in the same accident, dropping to the bottom of a gulch with some timbers which they were placing on top of a bridge. Mrs. A. D. Boone, a well known resident of Sumner who has been ill for some time, is reported in a rather critical condition. Mrs. Charles Bonebrake was removed to the Mercy Hospital this afternoon and at 4 o'clock underwent an operation for appendicitis. Mrs. Tom Lawhorn has recovered sufficiently to be up and around at the home of her mother, Mrs. William Cox. Roy Moore is reported quite ill at Mercy Hospital in North Bend. Miss Babe Dixon upset a bottle of carbolic acid this morning, severely burning her right hand. The wound was bandaged at once, but will prove a painful one for some time. Ed Anderson underwent an operation for varicose veins at the Mercy Hospital yesterday and today is doing very well. The three children of William Bickford who were afflicted with typhoid fever were removed today from South Inlet to North Bend, where they are under the care of a trained nurse.

To Turn To In its literal rense the verb "advertise" means to "turn to." The manufacturer who uses the printed word seeks to turn public attention to his goods. The retailer advertises to "turn people towards" his counter. The counter is the ultimate meeting place where the results of both the manufacturers' and dealers' sales efforts must be measured. Newspaper advertising proves the most effective for the manufacturer because it sends customers direct to the dealer's counter. The dealer in turn co-operates with this advertising because he can made this trade "turn to" his store. Coos Bay Times. Phone 133
