

# SAN FRANCISCO EXPOSITION WILL BE FORMALLY OPENED TOMORROW

(Continued from Page One.)  
is covered with "jewels" and from the tower itself depend 80,000 sparklers in all colors, which flash in the sun and scintillate at night when the searchlights illuminate the court.

Occupies 625 Acres.  
The site and plan of the exposition have made it the most compact ever built. It occupies 625 acres, of which 36 have been devoted to horticultural display. Liberal use of palms, shrubbery, vines and trees has made to relieve and diversify the long facades of the exhibit palaces. At the far end of the grounds are the athletic field and race track at the near end lies the Zouze, in which are grouped the amusement concessions.

Conceived to celebrate the opening of the Panama Canal, the idea of the exposition had its inception in 1904. The great fire of 1906, in which San Francisco virtually was destroyed, only delayed plans for its embodiment. The authorization of the State Legislature, together with an appropriation of \$5,000,000 were obtained and in April, 1910, \$4,089,000 was raised by private subscription in two hours. President Taft signed the Exposition act October 4, 1911.

Cost \$280,000,000.  
The work done by the exposition company, the various states and territories participating, and the concessionaires admitted, an investment of \$280,000,000 is represented. Exhibits on display probably will bring the total of capital temporarily tied up within the grounds to \$300,000,000 or more.

To the expense of construction and administration the city of San Francisco and the State of California each contributed \$5,000,000 and \$7,500,000 were privately subscribed. The national government, although exhibiting liberally, authorized the exposition as an international project and invited the world to participate only on condition that it should not contribute one cent toward the cost.

Only one exposition building is permanent. The city and the exposition jointly built as part of the city's new civic center, still in process of construction, a \$2,000,000 auditorium, in which are to be held the 400 congresses and conventions which will give the exposition such an important educational aspect. After the exposition closes, the auditorium will pass into the hands of the city.

Sporting Features.  
In the field of sports, the nation will be represented as widely as in any other of its interests.

Yachting cups have been given by President Wilson, King George of England, Emperor William of Germany and Sir Thomas Lipton. There are to be important golf and polo matches.

There is to be a motor boat race from New York to San Francisco through the Panama Canal.

A cross-continent aeroplane race is under consideration. The Vanderbilt Cup and Grand Prix automobile races are to be run on the exposition track, February 22 and February 27.

All the championships of the Amateur Athletic Union are to be held on the Exposition grounds.

**SOCIAL CALENDAR.**  
**FRIDAY**  
Norwegian Lutheran Y. P. S. at church hall.  
N. B. Tumble Club with Mrs. R. B. Hazer.  
Ladies Art Club with Mrs. H. Hoek at North Bend.  
Past Matrons Association with Mrs. F. E. Allen.

Minne-Wis Valentine party at home of Mr. and Mrs. W. H. Perkins on 10th and Elrod.

**FIRST ANNIVERSARY BALL OF CENTRAL LABOR COUNCIL AT ODD FELLOWS' HALL, SATURDAY evening. You are expected.**

**MASQUERADE BALL AT EAGLES HALL, SATURDAY evening, FEBRUARY 20. DON'T FORGET TO COME and BRING 98 your friends.**

**FAILURE IS IMPOSSIBLE**  
An advertising expert, who is a large user of newspapers, was asked this question:

"In your judgment what are the chances of success for an ordinary newspaper advertising campaign?"

Note the emphasis of his answer:

"If the article has:— Proper distribution, one hundred per cent quality and character, and the right copy is used in the right newspapers—it cannot fail.

"In my judgment there is no guess work about it—and I speak from a varied experience."

There is no guess work about results when you advertise in the

# THE KINNEY PROPERTIES

(Continued from Page One.)  
properties is approximately \$30,000. Claims Due In.  
"Claims which are not presented to the Receiver by March 29, 1915, will not share in any of the proceeds from the sale of the properties from the sale of the properties. The claims approved in the Receiver's report are not recognized by the decree and it will be necessary for creditors who have not reduced their claims to judgment to present new claims to the Receiver.  
"By virtue of the stipulation of the parties to the suit, the decree, instead of providing for an immediate sale of the properties at public auction, gave the Receiver power to sell at private sale in parcels. There seems to be no desire on the part of the lien creditors or others interested in the estate to force an immediate sale of the property, and, owing to the condition of the real estate market, I do not expect to attempt to force the properties upon the market at this time.  
"While there are some prospects of sale of small parcels of the properties, I know of no prospects of a sale for the bulk of the holdings.  
"In about thirty days I expect to be in a position to tender conveyances to the holders of contracts of purchase who were parties to the creditors' suit, and whose rights were fixed by the decree, with a few exceptions. In these cases, by virtue of a stipulation of the lien holders the mortgages will be satisfied and the contract holder will receive a deed from the Receiver and from John K. Kollock who holds the legal title to the property.  
"I have had many inquiries by creditors as to whether they could purchase property in settlement of their claims. All the creditors could, by concerted action, purchase the entire estate in the settlement of their claims, by paying the liens and other indebtedness having priority, but since the taxes and the amount of the liens and preferred claims and costs and expenses of the suit and receivership must be paid before the general creditors are entitled to anything, no creditor could be given a credit on the purchase price of any property for any portion of his claim."  
**Lien Holders Meet.**  
There was a meeting of the lien holders this afternoon in the office of C. R. Peck at which permission was given Receiver Watters to go ahead and sell the property of the estate, the proceeds to be applied in satisfying the claims of the lien holders according to their priority. There are three claims that will take precedence on all lots sold, first the taxes, second the claim of J. K. Kollock of Portland, and third, 10 per cent up to \$5000 and thereafter 5 per cent up to the receiver's fund, the remainder to be applied on the first liens after this.  
"The lien holders' representatives who were present were William J. Sykes, Frank B. Walte, J. H. Greves, J. F. Grubbs, C. A. Schibred, L. F. Falkenstein, John P. Hall, George W. Kitchen, O. W. Briggs, Bennett Trust Co., by Bennett Swanton and the Shahan estate and George Eby.  
The parts of Plats B, C and Boulevard covered by F. B. Waite's \$24,650 and \$17,250 mortgages are excluded from this arrangement for the time being.  
Attorney Bryson leaves in the morning for Eugene where he will spend a few weeks.

# MOTHER OF FIVE LITTLE ONES DEAD

**Mrs. Frank Wymore's Death is Pathetic—Family in Destitute Circumstances.**  
Mrs. Frank Wymore, who resided with her family in a tent near Shingle House Inlet, died at Mercy Hospital this morning after a three weeks' illness. She leaves a husband and five little children, three girls and two boys, the eldest of which is twelve and the youngest five.  
The family has been in destitute circumstances. Mrs. Smith and some kindhearted women have provided clothing for the little ones and hope to get some shoes and stockings.  
The father is a teamster and has a team. He was employed by F. P. Norton during the summer on road work, but has not been doing much since then. Recently when he had chances to work, he had to remain at home to look after the lit- tle ones, owing to his wife's illness. The funeral will be held from Wilson's chapel.

# PERMANENT REGISTRATION AGAIN

**SALEM, Or., Feb. 19.**—The Senate passed H. B. 191, by the committee on judiciary and revision of laws, providing for permanent registration of voters. A permanent registration law was enacted by the 1913 Legislature, but was declared unconstitutional by the Supreme Court. It is believed the unconstitutional features have been eliminated from this bill, which now awaits only the signature of the Governor.  
The bill provides in detail for the registration of voters on a card index plan. Once a voter is registered he will not have to re-register so long as he does not change his place of residence and votes at least once in two years at a general election.

# AID AGAINST ZEPPELINS

**Londoners Will Utilize Underground Railway Tubes in Case of Attack.**  
(By Associated Press to Coos Bay Times.)  
**LONDON, Feb. 19.**—Plans have been completed to permit London's vast floating population to find shelter in the underground railway tubes in the event of hostile attack. The city has hundreds of miles of subways, affording an ideal place of safety from bomb or shell fire.  
The availability of the subways was first called to the attention of the authorities some weeks ago by an enterprising citizen. Since that time detailed arrangements have been made for the regulation of traffic if a raid comes. Special telephones have been installed throughout the system; all employees have been instructed just how to act, and everything has been organized to prevent panic. Women and children will receive preference, but all those who seek shelter may do so without purchasing a ticket.  
In case of a prolonged attack it is suggested that subway traffic be suspended entirely and the system converted into a stronghold superior to the forts of feudal times.

# PIONEER IS DEAD.

**Zack Boice, Early Settler of Curry County, Dies.**  
Zack Boice, of Bandon, died in Oakland, February 13, from a stroke of paralysis. Mr. Boice was born in Missouri, April 19, 1851. He migrated to California in 1876 and moved to Port Orford, Curry County, in 1877. About two years later he settled on Floras Creek near Langlois and lived there continuously until 1903. In that year he moved to Bandon and has resided here since last fall. Last September he moved back to Missouri but returned in November to Oakland to spend the winter.  
He is survived by his wife, Mrs. E. J. Boice, who was with him in Oakland; W. R. Boice, of Eureka; California; Mrs. R. E. Cope, of Langlois; A. H. Boice, of Langlois, and C. W. Boice, of the Bandon Life Saving Station.—Bandon Recorder.

# TENDER RECEPTION.

Don't forget the public reception at the Millicoma Club rooms this evening between the hours of eight and eleven o'clock.

# MUMPS DECIMATE ATHLETES' RANKS

**Coquille Basketball Team Kept at Home—High School to Play the Independents**  
**NORTH BEND LOST**  
Word from the county seat today stated Coquille High School won from North Bend there last night, by the score of 30 to 15. The North Benders play tonight in Bandon.

Mumps have decimated the ranks of the Coquille Independent basketball five. Yesterday the word came scintillating along the wires: "We won't be able to come," and so the affair for here for Saturday night has been postponed for a week. This evening at 8 o'clock, in lieu of the other game, the high school will meet the Marshfield Independents in the first of a series of struggles to be staged in the next three weeks when the season will definitely close.  
Three games in the county league yet remain to be played by the Marshfield High School. To win them means much to the local boys; it would mean the championship of the county. Two other teams have the same standing in the percentage column and are ready to strenuously fight for the pennant. They are Coquille and Bandon.  
So in anticipation of the final "show down," the local boys have been practicing nightly under the guidance of Coach Niles and it is believed they will stage a fighty game with the Independents this evening.  
The lineups of the two teams follows:  
Independents — High School  
Position.  
Fisher ..... Lecroy  
Centers.  
Landers ..... Burrows  
Otis ..... Watters  
Forwards.  
Buffington ..... McDonald  
Morrow ..... Chapman  
Guards.

# MUMPS STILL RAGING IN BANDON-BY-THE-SEA

The epidemic of mumps, supposed to have reached its climax and passed over, is breaking out stronger than ever and there are now 30 pupils and one teacher out of school in the Bandon east side school building; alone. Every possible precaution is being taken by the school authorities, but without the co-operation of the parents, little can be done to check the spread of the disease.—Bandon Recorder.

# Remember the demonstration of Tillmann's Canned Goods at Warner Grocery on Saturday. Ladies especially invited.

**DANCE at CHANDLER HOTEL, SATURDAY EVENING, Feb. 20.**

# ORPHEUM

"Where Motion Pictures Look Better"  
Change of program at present: Saturday, Sunday, Tuesday and Thursday, TONIGHT  
Thursday-Friday  
"The Last Volunteer." Big Powers Break. A fine 5-reel war drama, laid at the seat of the present Austrian-Servian war. A story of intense patriotism entwined with international affairs. Grim and realistic battle scenes, aeroplanes, artillery and every other modern engine of destruction with a resulting carnage faithfully pictured. A heroic rescue amidst splintering bullets.  
**COME EARLY**  
"The Other Kid's Sister." A first-rate comedy with all juvenile artists.  
Roberta Saunders in a complete change of songs. This is Miss Saunders' first engagement in Coos County, and her work is greatly appreciated.  
Free Public Band Concert Sunday at 2:00 p. m. by the COOS BAY CONCERT BAND—Orpheum big matinee begins immediately after the concert.  
10c—ALWAYS—10c
