FAILURE IS IMPOSSIBLE

An advertising expert, who is a large user of newspapers, was asked this question:

"In your judgment what are the chances of success for an ordinary newspaper advertising campaign?"

Note the emphasis of his answer:

"If the article has:— Proper distribution, one hundred per cent quality and character, and the right copy is used in the right newspapers—it cannot fail.

"In my judgment there is no guess work about it—and I speak from a varied experience."

Come Seeking Arrest.—Two Greeks appeared in Justice Pennock's court this morning, stating they were shipped out of South Inlet by "about 20 men with guns" and asked that warrants be sworn out for the arrest of their assailants. The men were referred to District Attor-

MEN FIGHT, WOMAN ATTEMPTS SUICIDE

BABE DIXON SWALLOWS ANTI-SEPTIC TABLETS AS DRAMATIC CLIMAX OF DOMESTIC TROUBLES.

A women's love, friends that objected to her choice, two brothers jealous of each other and the result, a fight and an attempt of suicide on the part of the woman were half way explained in the police court this morning.

Judge Butler continued the case, asking for more witnesses and evidence.

Late yesterday afternoon a hurry up call was sent in for a doctor from the home of G. Chantzia, a Greek, on Broadway and arriving there Dr. Horsfall found immediate use for the stomach pump on "Babe" Dixon who had taken an overdose of antiseptic tablets. Her life was saved and this morning she appeared to testify.

In a long recital to the judge she told of how her life with her first husband was unhappy and that now she is attempting to get a divorce. This done, she expects to marry Sam Catsaules, a Greek.

So far was all right but Babe Dixon is living with Mr. and Mrs. G. Chantzia. This couple objected to her keeping company with Sam Catsaules, an employee at the mill. Trouble was created at once between them and Sam's brother, who is named Frank, sent word to the lady's protector, G. Chantzia, to come down and fight and then becoming impatient, he followed up his lead, going directly to the house.

Upon entering, so Frank Catsaules declares, Mrs. Chantzia called him names. This is denied by Mrs. Chantzia, who declares the story should be turned vice versa. At any rate a fight was started and the lady of the house, so it is claimed, began hitting Frank with a stick and in attempting to slap Mrs. Chantzia, the latter fell to the floor and sprained her wrist.

It was then that Babe Dixon, seeing what a furor had been started and believing Sam Catsaules would "throw her over," drew the climax by taking poison. "I am an American and proud of it," she told the court this morning, "and this man, (pointing to Sam Catsaules) is a gentleman, and I intend to marry him as soon as I get a divorce." She is a young woman of about 23 years of age and has two children by her first husband.

"I don't care who she goes with," declared Chantzia, through an interpreter, "as long as these fellows stay away from my house."

sey Liljeqvist and declared they would go to Coquille on the afternoon train. Seven Greeks were deported from the tie camps on the Inlet yesterday, because they consented to work for less wages than the other laborers.

Sign Breaks Glass.—Yesterday, the large plate glass in the front of The Cyclery cracked, a large triangular piece being almost broken out. The crack is inside of a circle of a large sign which Mr. Bandel recently had painted on the window. As near as Mr. Bandel and others that he has consulted can figure out, the heavy paint sign concentrated the heat from the sun's rays yesterday and the expansion following the sun disappearing behind a shade broke the glass. The glass is worth \$50 so that Mr. Bandel figures it was a rather expensive sign.

Policy Is Assigned.—The \$500 fire insurance policy which Mr. Skerrett had on his books and personal belongings which were destroyed in the Bunker Hill hotel fire, was transferred to R. O. Graves yesterday. Out of the \$570 found on Skerrett when he was arrested, C. F. McKnight as his attorney paid about \$175 on a note which the Flanagan & Bennett bank held against Skerrett and on which Jack McDonald was security. The balance of the \$400 was left in Mr. McKnight's hands by Sheriff Johnson for Mr. Skerrett but the expenses of his hearing will probably take up most of it.

FEMALES WED. AT M. E. CHURCH

Wedded Here.—Rev. B. F. Bengtson Saturday evening officiated at the marriage of Miss Tekla Toske and Peter E. Erickson of Bunker Hill. The young couple were attended by Wilhelm Burman and Dagmar Erickson.

Jury Gives Verdict.—That William Sweeney, orderly at the Mercy Hospital came to his death as the result of heart failure was the report of the coroner's jury at North Bend yesterday afternoon. Because of the absence of Coroner Fred Wilson at Summer Judge Shuster acted in that capacity and summoned the following jury, Frank Woods, B. E. Smith, A. H. McKay, William Dolan, Edgar McDaniels and C. W. Gregory. Dr. Bartle was called in and testified that two months ago he examined Sweeney and found his heart in a dangerous condition. The mother and relatives in California and this state have been notified.
