Go Over Claims

Practically the entire afternoon was spent by the Commissioners in going over, with J. T. Brand, the the championship of the county, assessments for fills in south Marsh- will soon leave to debate with the Lecocq field. Mr. Brand made his first re- dup of the Medford High School and

Idaho, as it would have been in. torneys, it will be necessary to start during the Junior Week and exerpossible to bring him here by force suit against the property owners to class at the University, as a witness. The charge was made secure payment for the fills already completed.

Contract Signed

A contract for dredging the Coquille river in the 26 mile stretch from Coquille to Bandon was signed by the commissioners at a meeting of the Port of Coquille on Saturday. This work is to be done by the dredge Seattle, of the Puget Sound Bridge and Dredging Company, and has now been sent to Seattle for signing by the president of the concern.

According to R. E. Miller, superintendent, about \$60,000 will be extended, the work will take between two and three months and the dredge
