## The Quality Name With the Service Fame

on his countenance, the members of the Cotillion Club started, last Sunday morning, on their first launch ride and picnic. With twenty couples on board, chartered by Mr. and Mrs. Archie Phillips, the Albee, left North Bend at 9:15 a. m. for South Coos Bay. Arriving at Dr. Bartle's summer home, the launch was deserted and the next hour was spent in dancing on the veranda. Meanwhile the table had been set, and, at the ring of a good old cow bell, all present partook of a luncheon consisting of ice cream and cake, pork and beans, coffee and sandwiches and fruit. Following that, the members all started on a walk through the woods and with the dozen cameras in the party, took a large number of pictures. Returning to the house at four p. m., the rest of the afternoon was spent in dancing. Coffee and sandwiches were served at six o'clock and at 7:30, greatly to the regret of all present, the start was made for North Bend. The homeward journey will long be remembered by the members of the club. As the launch started, three hearty cheers were given for Dr. Bartle, and until the arrival at North Bend, the chorus of forty voices reviewed all the songs of the olden days and the perfect blending of voices spoke well for the vocal talent of the club.

The members of the club extend their heartfelt thanks to Dr. Bartle for his hospitality and also to Mr. Leo McLain for his efforts in making the excursion a success.
