## A Chance to Buy a Grain Separator Way Below Cost

Here's a Grain Separator that will pay for itself in a year. Have just one Gaar-Scott No. 33-56.

Has brand new drive belt, and, in addition, two sets of belts for blower and feeder. Used lightly for four seasons. Will demonstrate to interested buyer. Guaranteed to be in first-class condition. Originally cost \$1100. Price, for a quick sale, \$400 F. O. B. HEAVERTON. Terms cash or bankable note.
