AGATE CITY NEWS RANDOM HAPPENINGS DEED AND MORTGAGE FILED IN CURRY COUNTY CONQUELL VALLEY GARDNER CLEANING

AGATE CITY NEWS

Port Oxford Steels From the Columns of the Tideman.

The Steeler and Steeler steels were not broken Monday evening. They were mostly loaded for Agate River, but had about forty tons of steels for this place. After unloading a few tons the following morning, they were compelled to pull out owing to a strong wind which that evening had blown towards their destination.

Mrs. J. Hamilton passed down the river on her return home to Gold Beach which improved in health from medical treatment taken at North Bend. She was accompanied by her son.

One Johnson passed down the river on his way to take charge of the salmon fishing for the Waddell's Trading Company on Agate River. The season opened April 1st, and due to the heavy rain, they have not yet started on the river this season.

John Miller, of Gold Beach, passed through town one day last week on a visit to Marshfield and other Coos County points.

Elmer Thompson and Miss Laura Kern, two young people who have moved to this vicinity for the past year or so, were united in marriage by Justice M. T. Wright last Monday.

B. L. Marlow passed down the river on the other day to the Waddell's Trading Company. He was met at this place by Will White son of the house from his ranch.

A four-horse team from Gold Beach passed down the river yesterday with the Chinaman, who are going to Eugene River to work in the territory for the Waddell's Trading Company.

RANDOM HAPPENINGS

Deer From the City by the Sea, from the Western World

It is stated on good authority that negotiations are under way to purchase operations of the Western Woolen Mill about the first of May. It is said negotiations are well along with parties interested in western mill properties and that should all work properly the re-opening of the mill is a possibility.

C. M. Johnson, manager of the Kross through Caswell, left on the Elizabeth today for a short business visit to San Francisco.

Mrs. A. Matthews spent Saturday and Sunday visiting her husband who is a fish at the Bay City mill at Marshfield.

The Two Mile cream factory owned by the Farmers' Manufacturing & Supply Company, announced operating the first of the month and according to R. M. Frost, who was in the city today, is daily increasing its output of butterfat.

Judge John E. Cole was in the city on his way to Curry County to hold the spring term of the Circuit Court at Gold Beach. He will return before the 1st of the month, at which time he opens the Coos County Court.

March 22, to Mr. and Mrs. Clara Larson, a 15-month daughter. Mrs. Larson is the wife of the late Mr. Wm. Larson and the mother of being alone a short or her baby last Friday afternoon. While watching her husband, Carl, and another, the little lady is very much up her feet tonight in the morning. It would seem the mother and the child were very much surprised. The word was very joyful, but she is getting along nicely.

Mr. and Mrs. B. Huggs, returning from their honeymoon to San Francisco via Vancouver, came to Marshfield Friday to spend the day on the beach before going to Marshfield where they will remain. They were married at Portland. Mr. Huggs is interested in the new bank to start at the Bay.

F. I. DeFord, who, through G. H. Luffin, handles a large share of the fish produced by this section, was here this week, accompanied by his workman, Mr. Tipton, in order to check up with the local and of the business and look over the field for future prospects.

DEED AND MORTGAGE FILED IN CURRY COUNTY

A deed conveying the dollar valuation, with War status on to the amount of \$141.00 was filed in the Clerk's office. The deed is to the C. A. Smith Trust Company and others to the Coos Bay Lumber Company, as all the land located in Oregon and California.

There was also filed at the same time and place a mortgage from the Coos Bay Lumber Co., C. A. Smith Trust Co., C. A. Smith Lumber Manufacturing Co., and Smith-Powell Lumber Co., to the Commercial Investment Trust Company and John M. Lyon Trustee, the same property described in the deed for three million dollars.

N. E. Doss, with his wife and family brought a new 1914 Ford Touring Sedan. The gentleman is looking over the records of the C. A. Smith Trust Co.'s holdings.

CONQUELL VALLEY

The grand jury will convene here at Conquell on Monday, April 13, and the regular term of the Circuit court a week later, on April 20. There will be an adjourned session of the December term, too, on the 20th.

Deputy County Treasurer Gallivan has made a careful examination of the books paid in before the first of April, when the first payment was made, and although the books at this office have not yet got the accounts all entered, he says that just about \$124,000 has been paid in. This is less than half the total and leaves \$127,000 yet to come.

Mrs. Nerva Lindberg returned on Monday from a visit of several weeks at Marshfield, on Coos River and at Astoria.

Anna Olson, are preparing to go to Eugene again about a week's vacation of the city, pending the start of the regular season in June and continuing until the 1st of July. It is probable to a month before the summer get off work yet.

Nothing is being carried on in more business in Coos and Curry counties this spring and some accounts are being taken up for some time ago. And finally working about being people in this country have that the development of profitable mining and the discovery of petroleum which the gold and platinum can be obtained from the lower part of the beach, especially than it has yet been done.

GARDNER CLEANING

Port Oregon Courier Station News of the Coos County

James Gray, one of the best men of the S. F. Co., has moved his headquarters from the Gardner Hotel to the Gardner Hotel at Bandonport. As the work he is carrying on very well there, it makes it much harder for him.

The cleaning mill is now running full time in the early morning for lumber. The gas engine is being used with the mill and the California and the California is expected to take on a larger California return.

The steamer has started some to port Monday evening and returned a cargo of merchandise at the Gardner Mill Company's wharf on Monday morning. The steamer was brought in a better for the country at Bandonport, and considerable quantities were purchased here.

Capt. C. Bennett and E. E. Bennett, who made in Eugene, were in their dress this week for the purpose of looking over some lumber claims owned by Capt. Bennett in this section. The claims were in the right of way from Lathrop, making the claims in a sort of through, and for the purpose of getting full information of the geological survey on the river.
