An Independent Republican newspaper, published every evening except Sunday, and weekly, by The Coos Bay Times Publishing Co.

SUCCESSFUL YEAR THE Port Umpqua Courier, published at Gardiner, has just finished its first year of publication.

Through the efforts of the Courier the people on the outside of this section are beginning to sit up and take notice that we are on the map.

Our subscription list has exceeded our expectations, and now extends into every state in the Union and has found its way into the home of nearly every family of the lower Umpqua Valley, which leads us to believe that our efforts during the past year have been appreciated.

The business men of the valley have been loyal and have given the Courier good support through their advertising, for without that no paper could exist.

What Cures Eczema? We have had so many inquiries lately regarding eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D. Prescription, can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription.

Myrtle Point News

(Special to The Times.)

MYRTLE POINT, Or., April 27.—Mrs. Antone Ivancoritch and two children arrived from Austria Tuesday morning to join her husband who is working up the South Fork. They left Austria the 21st of March and came via Italy. At New York they were routed to Roseburg and came in over the stage line. The father expected them to come to Marshfield by boat and went there to meet them, but found them here when he came in from the Bay Tuesday evening. Mrs. Ivancoritch cannot speak English so some of our German residents found out where she wanted to go and helped her on her way.

Last Saturday Archie Taylor and Miss Anona Harrison slipped down to Coquille and were married by Rev. C. H. Bryan at the M. E. parsonage. Misses Dora Harrison and Ruth Atteley and Messrs. Grade Summerlin, Gather and Lester Harrison, accompanied them. The bride and groom left on the afternoon train for North Bend and visited over Sunday with the groom's parents.

Messrs. Grade, Cleve and Lester Summerlin will leave soon for Seattle where they will join the U. S. survey party and sail for Alaska the 3rd of May. Grade Summerlin spent Sunday in Marshfield visiting friends.

W. N. Wann, of North Bend, was in the city a few days this week. William R. Smith, of Gravelord was in town Friday of this week. Mr. and Mrs. H. M. Fensler left Sunday for San Francisco. They sailed on the Elder to Eureka then by rail to the city. Dr. and Mrs. D. W. Giles took the same route rather than wait on the sailing of the Nann Smith, which was delayed.

The Women's Relief Corp. of Coquille, came to meet with the local league Friday. A chicken dinner was served by the ladies in the Lundy Hall at noon. Quite a number were in attendance from Coquille.

Mrs. Hafer, of Powers, was in town Thursday. Henry Schroeder came home from Powers Thursday after running the moving picture show Wednesday night. Spencer and Shelly will soon have a store opened in the new town.

Mrs. Walker, who lives in the Clinton house is still very ill. For three weeks her life has been despaired of. Mrs. L. N. Rose is no better at this time.

Misses Ada and Lottie Pratt were visitors on the Bay Friday.
