VIENNA, May 5,-An official statement says: "The

Russian front of Zboro-Sztropko-Lupkow Beskid Mountaius, has become untenable. As the victorious Teutonic Allies are continually advancing from the west toward Jaslow and Zmigrod. The enemy on the West Carpathian front started this morning in full retreat from Hungary, pursued by the Austro-German troops. The Russians therefore were beaten on a front of 93 miles and forced to retreat with the heaviest of losses."

LONDON, May 5,-Further strikforces in the East were announced today by Berlin. It was also stated French Claim That British Drove that successes were won in France and Belgium. This report, together with the events of the last few days, make it appear that the Teutonic allies have entered into offensive Western fronts such as seldom have been undertaken simulteneously
