It will take them 2.5 four to six months to complete 0.0the big bridge, which is 440 feet 0.0 long, combination steel and wood, 8.06 and they do not expect to return 4.2 here until it is completed. Mr. Por-8.55 ham will not be able to go down at 4.4 present and Mr. Dyer will have 9.39 charge. 4.8

> Military Road Considered,-There appears a growing agitation on the part of coast towns and cities in favor of the proposed military highway to connect Puget Sound with a road running through, parallel to the coast to San Diego. The matter of putting the road through Oregon was enthusiastically endorsed by the local Chamber of Commerce and in turn a letter sent to Seattle. A letter from Assistant Secretary Roy O. Hadley states that the matter has already been taken up and is now in the hands of a special committee which expects to make a report within a very short time.

> Memorial Services .- The Decoration Day services are to be held under the auspices of the Spanish-American war veterans in the Masonic Hall, according to the announcement made this morning by Edward H. Joehnk. The program for the day is now practically complete and will be announced in a

few days. It is known there will Church, North Bend, this evening at be a parade headed by the Coos Bay Concert Band and the G. A. R.

Lew

Cochran, of Coquille, writes that he is erecting a store building there and will soon start business. Today on the \$18,000 bond issue for a new school house.

Joins Army .- Word has been received here that J. Learmond, a relative of the James Forty and A. Landles families, has joined the British army and was fighting in France the last heard from him. Learmond is a Scotchman and a couple of years ago while here became despondent and attempted to throw himself under a train at Bunker Hill.

Will Teach in South .- In the year that he has been here from the east, in Fred Flanders has built up the manual training department to an efficience it never before had obtained. His friends and the faculty are sorry that they will lose him. He is expecting to be in the Paso Robles high school next year with Prof. Barker, formerly of Marshfield. The department there is a new one and, as Prof. Barker writes, is much in need of an expert. Miss Silverman
