***** WITH THE TOAST AND THE TEA

GOOD EVENING

If a civil word or two will render a man hanny, he . must be a wretch indeed who . does not give them to him, . lighting another man's candle by one's own, which . foses none of its brilliancy . by what the other gains. --

OPEN DAYS

Now is the time when the cool, mray road, the open road is calling.

With the many sounds of the shady wouds and music of water fulling.

And the broad skies with the warm. air and the birds on full spread With the dark woods defiled with

the motley of springtime while-Oh this is the time when the road's ment to a large number of men.

Ah, now the road calls for the loag. did years.

flected light of a brighter mind,

If you stand put a girl will engage berself to you, and if you can she will sue you for breach of promise. So what's the use. You might ha well take a chance and "shoot the moon" like George Carleton.

A country is known by the produts of its suit. People are infinenced by their environment consiquently good produces good every-

Every man is the arrive of duct of his own formuse . What kind of a building are .
