

What are "least money" clothes?
NOT those that are priced the lowest,
 for such clothes are usually "cheaper"
 than what they are than in price.

The real economy is in paying enough

 resident of South Slough at "Snow-
 ball," is in the city on a visit. Mr.
 Larson is now residing at Empire
 and had not been to Marshfield for
 a long time past.

To Build Bridge.—A frame bridge
 about 180 feet in length is to be
 built in First Addition on Oregon
 Avenue between Southeast Boul-
 evard and 15th street. There will be
 grading done on both sides of the
 bridge thus making improvement of
 about 1200 feet.

 who recently completed a fine
 stretch of cement sidewalk on Broad-
 way from Commercial to Market is
 arranging to put in another stretch
 of it on the east side of Front street,
 extending south from the Busy Cor-
 ner about half a block.

Coquille Tied Up.—Engineer Robert

 day and stated that the passenger

 7 o'clock next morning. Lee Bern-

 gaged as Captain of the new vessel.

Badly Disfigured.—J. A. Twohey,
 a workman on the Empire road,
 met with a very bad accident. The

 his face will be badly disfigured as
 the result of the accident.

Enlarges Bungalow.—R. O. Graves
 is making an extensive addition to
 his bungalow in First addition, the

 have a home with six good sized
 rooms.
