Stannard Martin at their home on
South Broadway, a son, their first
born. Mother and child are doing
nicely.

FOSCAHETT—Born to Mr. and Mrs.
Julius Foscahett, of Bunker Hill,
on July 10, an 8-1-4 pound daugh-
ter.

Meet Thursday.—The North Bend
Altar Guild will meet Thursday after-
noon with Mrs. Dennis Hill.

Visit Ranch.—Mrs. Moore was
the guest of honor of Frank Laise
and J. Albert Matson at their Sand
Hill ranch yesterday. Mr. Laise
said that their wapato plants are growing
nicely.

Improving Street.—Work was be-
gun on Saturday on Oregon avenue
in First Addition for the building
of a trestle bridge which will be a
great aid to traffic. Moon & Bar-

clay have the contract for the ex-
cavating and are now at work and
as soon as this phase of the project
is complete Ingman & Bjorquist will
begin the 184 feet of trestling.

Many Launch Parties—Several
laune parties picnicked on South
Coos River yesterday in addition to
a hundred or so that went up on the
Rainbow. Between 200 and 300
people spent the day near the Good-
will place.

Goes to Curry County.—Roderick
Macy of Portland passed through
by way of Myrtle Point and Bandon
for Wedderburn to look after his in-
terests on Rogue River. He expects
to be at his estate in Curry County
for most of the summer.

Is I. C. S. Representative.—F. H.
Starr has just received his creden-
tials making him the representative
in Coos and Curry Counties for the
International Correspondence School
and hereafter he intends to spend a
share of his time in this connection.

Injures Foot.—Albert Powers, son
of A. H. Powers, is laid up with an
injury to his foot sustained while
swimming at the Goodwill place on
South Coos River yesterday. He
stepped on a nail which penetrated
deep into the flesh and caused a pain-
ful but not serious wound.

Bridge is Started.—H. G. Butler
has commenced the building of a
500-foot bridge over from the county
road over to Bay Park Addition and
has a crew of four men working
under him. This roadway will give
a clear right of way into the addi-
tion.

Curry Prosperous.—Frank Catter-
lin returned Saturday night from a
trip to Curry County points and says
everything is prosperous in that dis-
trict. D. M. Moore is vigorously
prosecuting the work on a seven-mile
road contract up the river near Bag-
nell's ferry and many other improve-
ments are underway.

Breaks Her Arm.—Virginia Jones,
daughter of Mr. and Mrs. J. D. Jones,
aged three years and six months,
broke her left arm just below the
elbow. She was playing with her
little brother and in some way fell
and broke her arm but as her parents
did not see the accident, they do not
know exactly how it happened.

Find Gravel.—A. O. Rogers stated
that the Dredge Oregon which is cut-
ting out some shoals in upper Coos
River has uncovered some fine grav-
el bars. He is going to use some
of it in putting in concrete walks
around his ranch home and also use
it for putting concrete floors in the
barns and other buildings. The grav-
el is located near the Goodwill place.

City Dads to Meet.—A meeting of
the city fathers is scheduled for
eight o'clock this evening in the
city hall when several matters of
importance are to be broached for
discussion. It is possible that the
city engineer may have the plans
and specifications for the cutting
down of Pine street ready at that
time for judgment.

Baptists to Meet.—The Coos Bay
Baptist Assembly has been called for
the latter part of August, according
to Rev. G. Le Roy Hall. He states
that at that time visitors and speak-
ers from outside points are expected
to be here in attendance at the ses-
sions that will last for three days.
A complete program will be arrang-
ed later.

Ships Hogs.—F. Thompson, a Port-
land shipper, last evening brought
over on the train 73 large sized hogs
from Bandon. The animals were
corralled on the Smith Terminal dock
for the night and today went north
on the steamship Kilburn to Port-
land. The shipment was first turned
down by the company but re-
considered when no other boats for
Portland could be secured.

Redmen Meeting.—J. H. Hamig,
of Portland, will meet with the lo-
cal officers of the Redmen here at
the office of Justice Pennock tonight
and will take steps to revive the ac-
tivity of Coos Tribe. Mr. Hamig is
a state officer of the order. It is
expected that at the great council at
Tillamook, August 17, 18 and 19,
steps will be taken to increase the
membership throughout Oregon.
