

THIRD BIG JULY CLEARANCE SALE

IS NOW IN FULL SWING

PEOPLE have come to look for and expect the big Semi-Annual Sales at the "Hub." This store holds only two big sales each year—one in January—one in July. These sales are held for the single purpose of clearing the stock. We do not close the store for one or two days for the purpose of marking goods up, then marking them down. Every price advertised is genuine—there is no juggling with prices—there is no misrepresentation. This sale is breaking all previous records. This store is crowded with buyers.
