ANNA BELLE Goes On a Hay Ride

Dear Friends: While down at Grandpa's he took us for a dandy hay ride and I wish you could have been with us for we enjoyed it very much. We drove in town and the boys bought some ice cream which was a treat to us all. Uncle Ezra wondered how we could enjoy a wagon ride when most of us were used to machines, but I thought it was fine.

Every mail continues to bring good letters from friends and nothing makes me happier than to know that so many of us are banded together to try to make the world happier and brighter for our having lived in it. If you haven't sent for your Certificate of Membership now is the time to do so as we want to do a great work in the coming fall and winter. Just address me, care this paper, enclose a two-cent stamp for postage and I'll be only too glad to send as many as you want for yourself and members. Let's all pull together for the good of poor girls and boys who haven't the opportunity we have and cause their ever so generous ANNA BELLE SEWING SOCIETY as their greatest friend in need. Write as often as you can to your loving

Anna Belle
