Sleeping on ferns and fir boughs camp fire 11 boys of the Methodist Joseph Knotts and E. H. Campbell, spent three days at Golden Falls. returning from there last evening.

Each one of the party carried his; own blankets and cooking utensils. The boys left here on Monday morning and walked to the Golden Falls where camp was pitched. They had a good time clambering over the hills and some of them fished with various kinds of luck.

Tuesday night there was a misty rain that made sleeping in the open a trifle disagreeable but a big camp fire was kept burning all night.

Those in the party besides Rev. Mr. Knotts and E. H. Campbell were Donald Gidley, Donald Allen, Pasquin Bradfield, Ed. Bonebrake, Leslie Holmes, Clifford Thorwald, Forest Meyers, Reuben Sanquist, Thomas Crossthwaite and Everett and George Murphy. \*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*
