**ANOTHER CAR LOAD OF DODGES**

POPULAR AUTO IS IN BIG DEMAND—CARS TO ARRIVE ARE THE NEW 1916 MODELS—NO CHANGE IN PRICE AND FEW ALTERATIONS.

George Goodrum has just been notified that he has been allotted another carload of the new 1916 Dodge Brothers motor cars and that the shipment should reach here on Sunday. Mr. Goodrum considers himself fortunate in securing this early shipment as there is such a large demand for Dodge cars from all sections of the country that it is difficult to secure allotments.

The cars that are coming are the new 1916 type but there are very few alterations in the new models. There has been some refinement of parts where it would add to efficiency. The price remains the same, \$785 F. O. B. Detroit.

The Dodge car is now backed by the test of time and experience as well as factory expertise in efficiency and mechanical skill. It has stood the test and is daily growing in popular favor.

Do not fail to see these new cars when they arrive. A demonstration ride will prove Dodge excellence.
