Injures Thumb.—The young son of Mr. and Mrs. T. J. Scaife cut the end of his thumb off this morning while splitting kindling.
Bicycle Stolen.—Paul Bargelt reported to the police today that his bicycle had been stolen. This is the first theft of a wheel in quite a while.
Big Fish on Beach.—Otto Schetter who came up this morning from Sunset Bay said that the campers had a big time this morning picking up big fish that were stranded on the beach. There was a big run of the small smelt in Sunset Bay last evening and the big fish, some over two

feet long, followed up the smelt and in their eagerness to devour them all got to close in and were left by the ebb tide. He said that there were several wagon loads of the big fish there this morning.
On Outing Trip.—Ralph Matson, Frank Denning, Pat Lundy and Walter Lawhorn will leave in the morning in Lawhorn's car for Gold Beach where they will try and capture a few deer.
Kills Rabbit.—Raymond McKeown today is mourning the loss of his choice rabbit out of his flock of Belgian hares in the rear of The Chandler hotel building. Some dog got in this morning and ate the leg off the prize rabbit.
Will Travel.—E. P. Lewis, formerly with the Pioneer Hardware Company here, who returned with his family Saturday from a month's stay in California, announces that he will represent several wholesale houses in this section now.

Lodge Officials Coming.—Grand Patriarch Robert Andrews and Grandmaster John E. Hall will pay their annual visit to Sunset Encampment and Sunset Lodge, I. O. O. F., Friday evening, August 13. Plans are being made for a big welcome to them.
Roseburg Man Hurt.—Mr. Smith of Roseburg came down from Winchester Bay, where he was enjoying an outing, for treatment for an injury to his leg sustained in an accident before he left Roseburg. It began troubling him and he came here and is at The Chandler.
Five Peaches.—J. C. Doane presented The Times with some delicious peaches raised on his ranch. In appearance and flavor they are equal to any shown in the market. They are the product of five year old trees which were transplanted in his orchard only three years ago.

Autos to Bay.—A. J. Sherwood drove over from Coquille today in his auto to look after some business here. He reported that a couple of Coquille fishermen had been arrested for violating the game law. Miss Ruth Golden who has been visiting at his home returned here with him.
Chickens Bother.—Marshal Carter today swore out a warrant for Nils Adamson, the harbor light tender, who resides in Marshfield. Neighbors were complaining that Adamson's chickens were ruining his garden and Marshal Carter said that he did not pay any attention to a warning.
Cows Bother.—Marshal Carter had C. R. Flanagan of South Marshfield before Recorder Butler this morning on a charge of allowing his cows to run at large, molesting the neighbors' lawns and gardens. Recorder Butler withheld the fine on Flanagan's promise to keep the cows off the streets henceforth.

Will Return Soon.—Mrs. C. H. Wilson and daughter Thelma, will return home on the next trip of the Breakwater. Last June Mrs. Wilson was called to Grangeville, Idaho, on account of the sudden death of her brother who was accidentally electrocuted while working for the light company there.
Apple Crop Light.—The apple crop generally in this section is light this year. The George Murch Gravenstein orchard on South Coos River will yield very few, adverse weather in the spring spoiling the outlook. Dr. Dix and Ben McMullen have quite a few on their ranch near Bridge and a buyer is to visit the place this week to buy the crop.

Auto Broke Down.—J. C. Penney, who owns the big chain of stores one of which is located in Marshfield and who was here on a visit with his family, after leaving Marshfield for Roseburg broke a spring on the mountain road. He repaired the break however and got to Roseburg requiring eight hours from this place to Roseburg.
Bankruptcy Case.—J. O. Stemmler came over from Myrtle Point today to attend a bankruptcy hearing before C. A. Sehlbrede. It is the case of W. B. Sullivan, a Myrtle Point logging operator, who owes about \$2200 and has no assets. Loggers' liens on logs for which he had paid another contractor was the cause of his failure.

Pine Street Again.—It is expected that the question of relieving the Southern Pacific from the provisions of its motor car franchise for a period of five years will come up before the city council tonight. No action will likely be taken as some of the councilmen say that it is a matter that requires the presence of all the members of the council. Messrs. Albrecht and Coppel are both away.
Injured By Fall.—E. E. Larson of Alameda sustained some painful injuries late Saturday afternoon by a fall from the roof of a barn which he was painting. He dropped twelve or fifteen feet and struck on his face. He was badly bruised and an arm injured. The boat Cadillac, which was en route to Marshfield with the passengers, was called back by D. L. Foote to bring Mr. Larson to Marshfield for medical treatment.

Motorcycles Collide.—Homer Granby and John Hintonson, both on motor cycles, collided Saturday evening at the corner of Central avenue and Broadway but neither was hurt. The both had narrow escapes however. Granby's machine struck the other on the rear wheel and the rider was thrown off. Had Granby's machine struck nearer the center of the other both riders would likely have been hurt.

Former Resident Dead.—Word has been received here of the death of Archie McFadden at Hibbing, Minn. He was a victim of tuberculosis. He was formerly clerk at The Chandler hotel in Marshfield but after his return from Hibbing was appointed chief of police in which capacity he was serving when he died. Mr. Dwyer, father of Geo. Dwyer of Powers, and a brother-in-law of A. H. Powers has been appointed to succeed him. News of his death will be received with sorrow by the many friends he made during his residence on the Bay.
