A BIG WOOL CLIP REACH A DEADLOCK

CURRY COUNTY GROWERS WILL
SHIP OVER 250,000 POUNDS

Received From 28 to 30 Cents Per
Pound—Now Have Difficulty to
Ship Big Product

W. O. Milne, a wool buyer who contracted for most of the Curry County wool clip this season, arrived here today to try and arrange for the shipment of the wool direct to San Francisco. He says that the Curry County clip this season totals about 250,000 pounds. The prices paid varied from 28 to 30 cents per pound. A Salem man bought some of it but Mr. Milne secured about 99 per cent of the clip. Yesterday he closed with the Langlois growers and paid out about \$15,000 in that one community.

He planned to have the wool shipped direct to San Francisco but the Roamer and Rivler are now led up on canner shipments and cannot make the trip. It may be necessary to have them bring it to Coos Bay and re-ship from here, but this will make it more expensive.

Mr. Milne is also anxious to get the Brookings shipments out before August 17 as after that date no more vessels will make that port for a long time. Then it would be necessary to haul the wool overland to Crescent City, fifty miles away.

1916 OVERLAND IS A FINE CAR

1916 OVERLAND DEMONSTRATION MACHINE ARRIVES AT THE GUNNERY AND WINS PRAISE OF AUTO ENTHUSIASTS

The 1916 Overland, which has made the big hit of the new models, arrived here yesterday and the crowds of auto enthusiasts who have inspected it at the Gunnery declare that it offers the most and best for the money of any machine ever put on the market.

"There is nothing that can compare with it," said Mr. Tower last evening after he had taken a few spins in the car and gone over it thoroughly. "It's the last word in autos. It is not only a handsome car, easy riding and equipped with all the latest devices but it is a money saver. It gives one all of the advantages of a high priced car at less money than it was thought possible before the Overland people put the 87 on the market. The five-passenger body meets all the ordinary requirements for a touring car. Anyone who is thinking of getting a new car should not fail to see the Overland."

Big Demand for Fords.
Since the announcement of the Ford people of the reduction in prices there has been a new rush for Ford cars. Yesterday, L. R. Tower, local agent, sold three more Fords. Dr. Hamilton of Coquille gets one, Gorst & King another and a man at Leon Lake took the third. Mr. Tower left this morning to deliver the latter.

DISPUTE ABOUT SIDEWALKS IN NORTH BEND ARISES

Owners of Unimproved Lots Do Not
Want to Lay a Permanent Walk

There is something of a deadlock in the matter of sidewalk building in North Bend. The city council of that place recently passed an ordinance providing that permanent concrete sidewalks should be laid all over the business section, including Sherman Avenue from California to Washington and for one block east on Washington.

Fronting west at the corner of Sherman and Washington is some vacant property which is owned by the Gordon estate, Fred Hollister and Syver Backey. These property owners refuse to lay a concrete walk and it is said the preparing to lay a plank walk, taking the stand that whenever a building is erected thereon it would be necessary to take up the walk again.

Mr. Hollister is one of the members of the council. Other members declare that the ordinance must be observed and the city engineer has said that he will see to it that the ordinance is carried out so the matter stands in that way.

HIGH MASON HONORED

F. J. Miller is Head of Order in Oregon

F. J. Miller, railroad commissioner who has been in Coos county, is the right worshipful grand master of the state of Oregon, A. F. and A. M. He is the head of that branch of the Masonic lodges of the state. Wednesday night the Masons of the bay held a meeting in Marshfield in his honor. Mr. Miller gave a talk on Masonry and refreshments were served.

BOY WAS MISSING

Fear was Felt for Safety of John Heath Jr.

The family of John Heath was greatly worried last night when John Heath Jr., a son, did not appear at home. The boy is deaf and dumb and he was out on his bicycle and when he did not return home as usual it was feared that he had met with some mishap. The police and members of the family searched the town. The boy turned up all right this morning. He had ridden away on his bicycle and was late in getting back.

PLAN FOR BIG TIME

BANDON IS MAKING ARRANGEMENTS FOR MOOSE DAY

Will Be Prepared to Show a Good Time to Visitors Who Go There

Bandon, the city which recently so finely entertained the Elks and their friends, is making great preparation for Moose Day, according to the following from the Recorder:

"On Monday of next week the Moose of the County will gather in Bandon for a county convention it being their second annual convention. There are at present three lodges of this order in the county one at Marshfield, one at North Bend and the third in Bandon. Last year the convention was held in Marshfield and next year in the order of things the meet will be at North Bend, unless Coquille which is about to have a lodge instituted, gets far enough advanced to have the county meet before the bay town.

But this year the day is Bandon's and the local fraternity, some two hundred in number, are bonding their energies to make the day one long to be remembered. A special train will run from the bay and there will be special excursions by river and auto.

"A special program has been prepared for the day and one of the features will be the stand of Wrestler Jim Wilson who will meet any and all comers and will give \$100 to anyone who will stay with him twenty minutes.

"A ball game will take place at the park with the probable contestants Marshfield and North Bend.

The special dispensation closes Moose day. For some weeks past that place has prevailed, allowing the local lodge to take in members at the adoption fee of \$5. After the passing of the dispensation the fee will be \$25 as before. Large classes have united with the order the last few weeks. Mayor Topping was one of a class of five to be adopted last meeting night.

MANY AT FUNERAL

FRIENDS AND NEIGHBORS PAY TRIBUTE

Members of Marshfield Fire Department Attend in Body—Rev. Father McDevitt in Charge

The double funeral of George Lecocq and Helen Lecocq, victims of the tragic drowning in Coal Bank Inlet last Sunday, yesterday afternoon from the home of the parents, Mr. and Mrs. Henry Lecocq, on South Fourth street was attended by one of the largest assemblages that has ever gathered on a similar occasion on Coos Bay. Friends and neighbors of the family and of the deceased gathered from throughout the community to pay a final tribute to the youth and his sister. The house was banked with flowers, gifts from friends and neighbors.

Rev. Father McDevitt had charge of the services and delivered an excellent sermon, his text "Be Ye Prepared." In it he dwelt on the uncertainty of life and also on the rearing of children, the duty of parents and the rewards for that duty well fulfilled.

In Same Grave

Interment was in one grave, the two caskets being lowered side by side.

Mrs. Henrietta Pompault arrived from Centralia, Wash., in time for the funeral. Another sister of the deceased, Mrs. Van Marter, also arrived from California in time for the service.

The Marshfield Fire Department of which George Lecocq was a member attended in a body. Part of the firemen were pallbearers while the others acted as guard of honor.

The Pallbearers

The pallbearers for the little girl were: J. W. Davis, Frank Matson, Chas. Lando, Wm. Abel, Nick Stambone, George Seelig.

The pallbearers for George Lecocq were: Max Kruger, Duncan Ferguson, James Pettit, Homer Mauzey, L. E. Bliven, Guy Lattin.

WATERFRONT NEWS

Capt. Lofsted of the Santa Clara yesterday made complaint that a new shoal was forming along the North Bend dock and would have to be dredged out again soon or his vessel would not be able to make the landing at low water.

The Westerner arrived in this morning from San Francisco with about 1200 tons of freight for Coos Bay. Included in this were about 180 long piling for the Southern Pacific bridge work. These are cross-tied piling but it seemed that they were being hauled here all the way from San Francisco. The Westerner brought in the Naun Smith's freight.

PAY BY DISTANCE

REMOVAL OF LAKESIDE POSTOFFICE 250 FT. AFFECTS CARRIER

P. Cimino Has Monthly Allowance Reduced Fifty-Eight Cents as Result of Change in Location

That Uncle Sam will not pay more than he has to for service is indicated by a change recently made at Lakeside. The postoffice there was moved about 250 feet, being that much nearer the North Bend postoffice which handles the Lakeside mail. P. Cimino has the contract for carrying the mail and when he received his last pay check he was astounded to find that the government had reduced his pay for the month fifty-eight cents because he had 250 feet less to carry the mail.

Ned Galloway handles the mail for Cimino from North Bend to the North Inlet landing and Cimino handles it by a rig between that point and Lakeside.

Need Better Service

An effort is being made by Lakeside people to have a direct pouch for their mail to and from Marshfield. Under the present arrangement the mail lays over several hours or a day at North Bend and is handled again at Hauser, causing much delay and inconvenience.

The matter will be laid before the postoffice authorities at once.

NORTH BEND PEOPLE WILL GO ON TRIP

Number of K. of P. Will Attend Gathering to Be Held at Crater Lake

A number from North Bend will attend the midsummer meeting of the Knights of Pythias at Crater Lake next Tuesday and Wednesday. The organization will confer degrees on a number of candidates.

Rev. D. A. McLeod of North Bend now pastor of the Presbyterian church in Cottage Grove, will be the only candidate from Coos County. This will bring Coos County to the front to a certain extent and members of the order in North Bend are highly elated over the distinction.

Among those going are Mr. and Mrs. C. H. Worrel, and Mr. and Mrs. E. E. Riggs, who will go in the Worrel auto. Mr. and Mrs. Archie Philip and Mr. and Mrs. E. McDaniel, who will go in the latter's car. Fred Moore will take in his new Dodge car C. A. Smith, Chas. Williams and Rev. D. A. McLeod. Others may go but they are undecided. A number from Marshfield will also go.

Crater Lake is just 300 miles from North Bend, and those who have made the trip say it is the most delightful trip to be had.

Leave Sunday

W. R. Simpson and wife and son Hallie and A. E. Morton and wife of North Bend will leave Sunday in Mr. Simpson's car to attend the K. of P. gathering at Crater Lake.

SHOTS AT \$5 PER

M. J. Hartson while driving in his auto last Sunday saw some game at the roadside that he wished to shoot. He stopped his car and grabbed his gun, which he always keeps close at hand. He cocked the gun and started to swing it around to his shoulder. In doing so he accidentally pulled the trigger and the bullet sped on its way. The windshield of the car, however, happened to be in its way with the result that the bullet made its way through the large glasses. This made rather expensive shooting for Hartson as the wind shield glasses are worth about \$5 per.

TWO GAMES SUNDAY

BLUE RIDGE TIGERS TO PLAY AT EASTSIDE

Hatchery Team Will Play Beaver Hill at North Bend—Ben Fisher Back to Aid Tigers

There will be two ball games on the Bay next Sunday. The Blue Ridge Tigers will play Eastside and the Hatchery team will play Beaver Hill on the North Bend grounds.

Ben Fisher who returned yesterday from San Francisco will probably be back in the box for the Tigers and Gill who has been twirling for them will probably also be retained. Collier will pitch for Eastside and as a result of the trouncing that the Hatchery team gave Collier last Sunday, the Tigers are hopeful of victory.

Norm Johnson will twirl again for the Hatchery and they expect an easy victory over the Beaver Hill aggregation.

BIG BENNETT SOCIAL

SATURDAY, AUG. 14

A basket social, dance and free moonlight excursion will be given at Goodwill's pavilion on Coos River Aug. 14. There will be no limit placed on the boxes. There will be a charge of 50 cents for dance tickets. Free transportation both ways. Launch Express will leave Marshfield at 7 o'clock in the evening and the Rainbow will return after the dance. Summer Orchestra.

All ladies please bring buses. The proceeds will go to the aid of the Fred Aasen family at Camp One.
