HOOD RIVER CASE

E. W. DARK ARRESTED FOR NON-SUPPORT

Came Here About Three Months Ago and Wife Says He has Failed to Provide

E. W. Dark was arrested last evening by Marshal Carter on a warrant from Hood River charging Dark with non-support of his wife and family. Dark will be taken to Hood River at once to face the charges.

Dark, Marshal Carter says, came to Coos Bay about three months ago. He is probably forty years old. He claims to be a carpenter but has not worked at the trade much since he came. Last evening he was anxious to be given his freedom, saying that he had some work in First Addition to complete and that he was to be employed on the new school house at Powers.

Marshal Carter says that Dark formerly made the bowling alley on North Front street his headquarters. Dark had his effects at the Leslie Rooming house in North Bend and he and Marshal Carter had to make a midnight trip there to get them so that he could be taken out this morning.

Made Quick Trip

Marshal Carter took Dark to Coquille this morning and Deputy Sheriff Laird, who left there today for Salem to get quotations in the Holt-Houdein white slavery case, took Dark with him. A Hood River officer will meet them at Salem. Marshal Carter left Marshfield on the 5:30 auto with Dark and returned here at 8:30, making the round trip in just three hours.

FIRE DAMAGE SMALL

BAD ONE REPORTED NINE MILES SOUTH OF BANDON TODAY

Wardens Still Fighting Blaze in old Camps at Coaledo—Camp Six Blaze About Out

W. J. Conrad received word today noon that a bad fire had broken out in the timber about nine miles south of Bandon. Fire Warden Adolphson and a force of men were at the scene and hoped to check it soon.

Another force of men is working on the fire that is burning in the old works at Coaledo. The fire has not done any damage so far but it would have had not strenuous steps been taken to keep it from spreading into the green timber near there.

The fire at Camp Six, near Powders in which Mr. Thurston is foreman, has been practically extinguished. Except for the loss of time in fighting it, there was no loss.

The fire at first reported near Johnson Mountain was near Eckley. So far the total damage is very small but as it is getting quite dry, the fire wardens are apprehensive.
