### Return from Synod.

Rev. Robert E. Browning returned Saturday evening from Oakland California, where he went to attend the Synod of the 8th Province, which includes the states west of the Rocky Mountains. The sessions were held in the Claremont Hotel. One of the most inspiring events of the Synod was the mass meeting held on Sunday evening in the new Oakland Auditorium, just completed. Twelve Bishops of the coast states were present, seven of whom gave stirring addresses on the work in their respective fields. Seven or eight thousand were present in the audience.

### Collier Quits Place.

Allan Collier, who for the past few years was deputy assessor was here from Coquille yesterday. He has retired as deputy assessor, effective today. He has just returned from a hunting trip on Elk River in Curry county where he and M. O. Hawkins bagged the limit. He says deer are very plentiful there. The Salmon Mountain country was completely burned over a short time ago and he thinks that will make a fine hunting ground next season, all the brush being removed. He has not yet taken a position and may possibly decide to locate on the Bay.

### Hold Sale on Saturday.

Deputy Sheriff W. C. Laird returned this morning from Lakeside where he went yesterday to sell the Vanburger machine and a couple of cows to satisfy claims of Milo Pierson and Jerry Kinney. He found some one had a \$100 labor lien on the machine; another man laid claim to the cows and so came back empty handed.
