

# Duke Wins A Prize And Pulls A Prize Stunt!

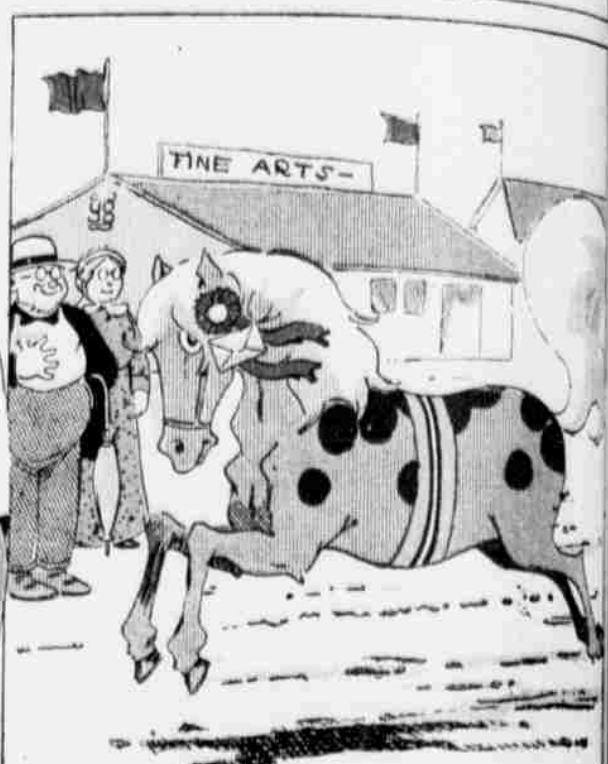

Andy and Wendy's Grandpa sent me to the State Fair with his blooded horses-

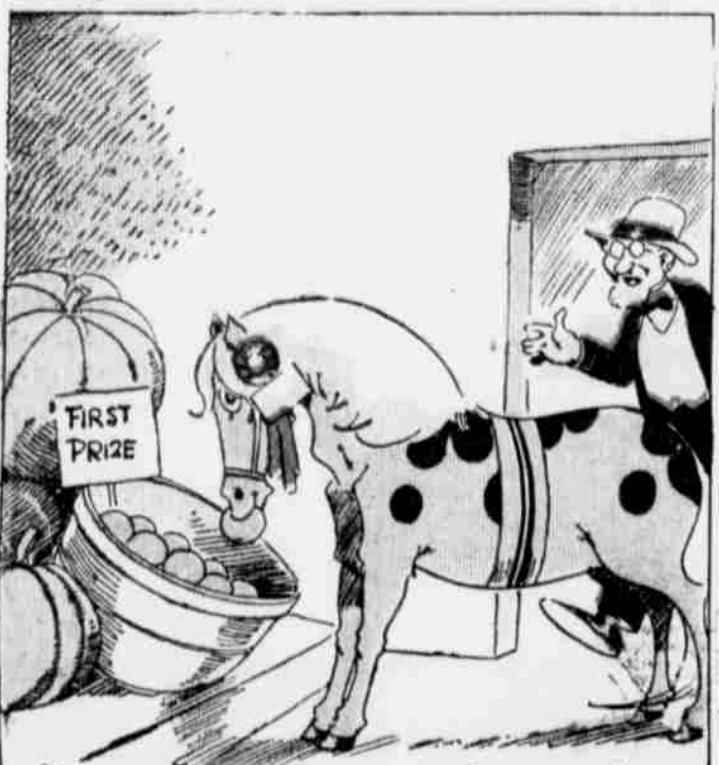

I took first prize for high stepping-

The Judge pinned a blue ribbon and an envelope containing \$100. on me!

-I felt mighty proud, you bet!

Later I ate some prize apples in the Farm Produce exhibit-

The farmer who owned them took \$25. of my prize money away from me so I-

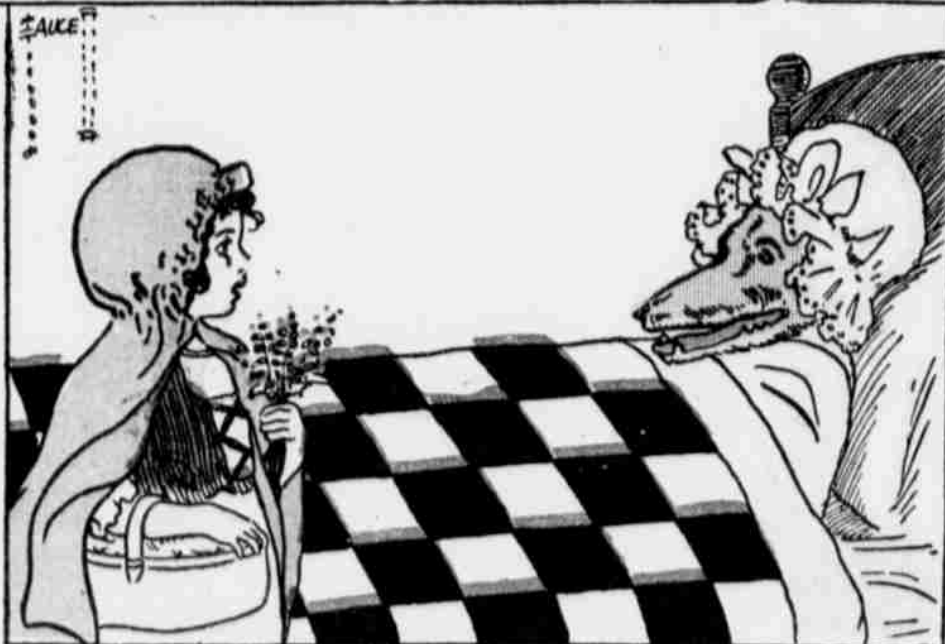

-thought I better invest the rest of my money in some sensible way-and I bought-

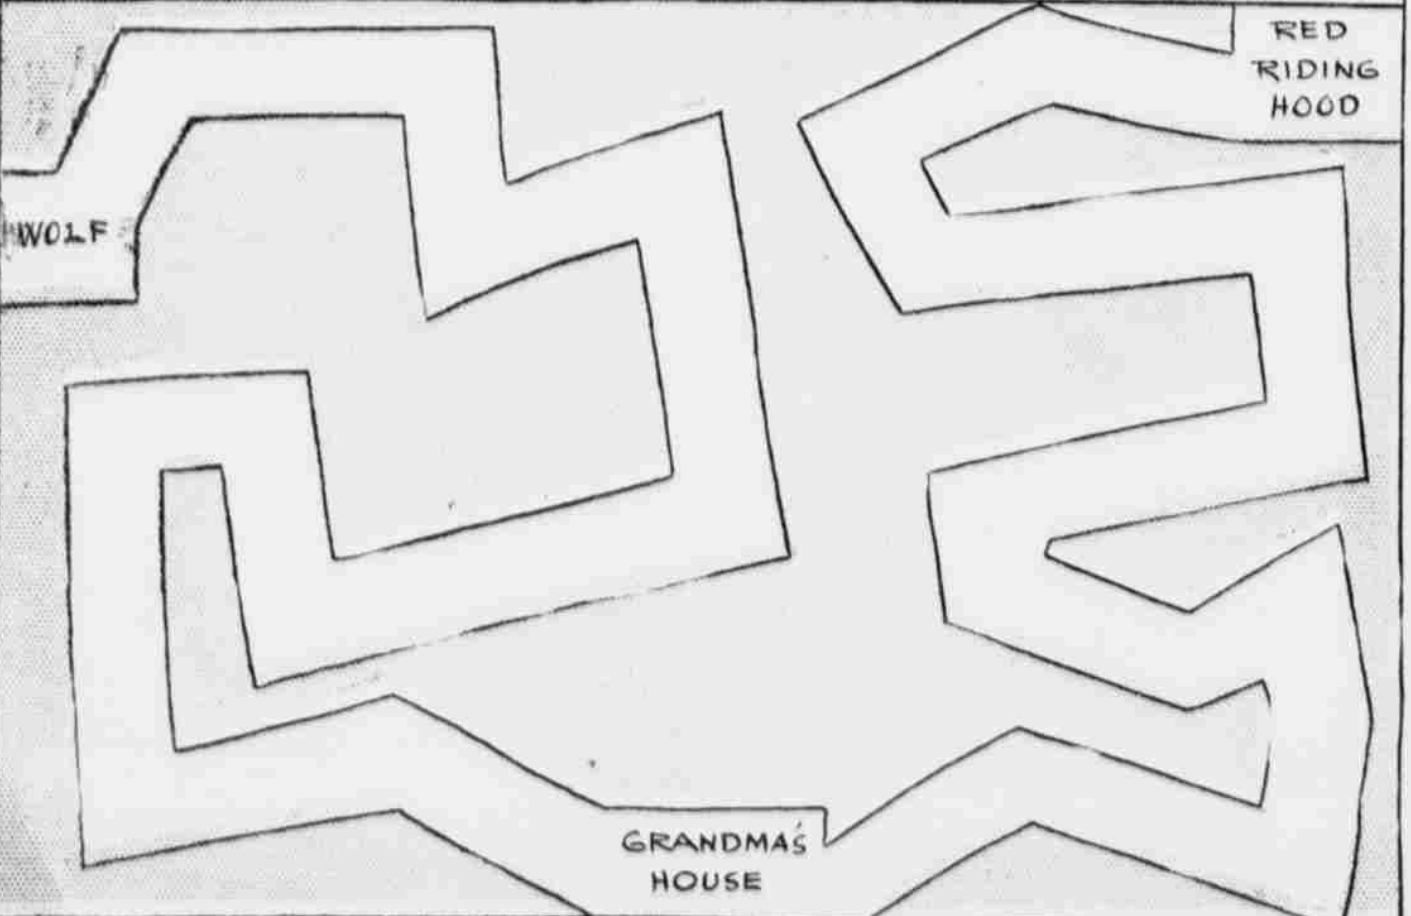

-\$75. worth of peanuts, popcorn and taffy for Andy and Wendy

## ANNA BELLE Arrives Home From the Country

Dear Friends:-Here I am at home again, and of course, you know I was glad to see every one. Sister Tot and mother were waiting for me when I arrived at the gate and I wish you could have seen Sister Tot clapping her hands, she was so happy. You know I look after her when I'm at home and of course, she had missed me very much. I tell you one is glad to get home, it matters not how much they've enjoyed their visit. I'm so glad we've continued our progression in SEWING SOCIETY work during the hot months, and if you haven't sent for your Certificate of Membership just sit down and write me care this paper and I will send you one. Let's all pull together, dear friends, and do all we can for the poor girls and boys we know. Write as often as you can to your loving,

Anna Belle
