

Puzzle---Did Duke Break the Camera?

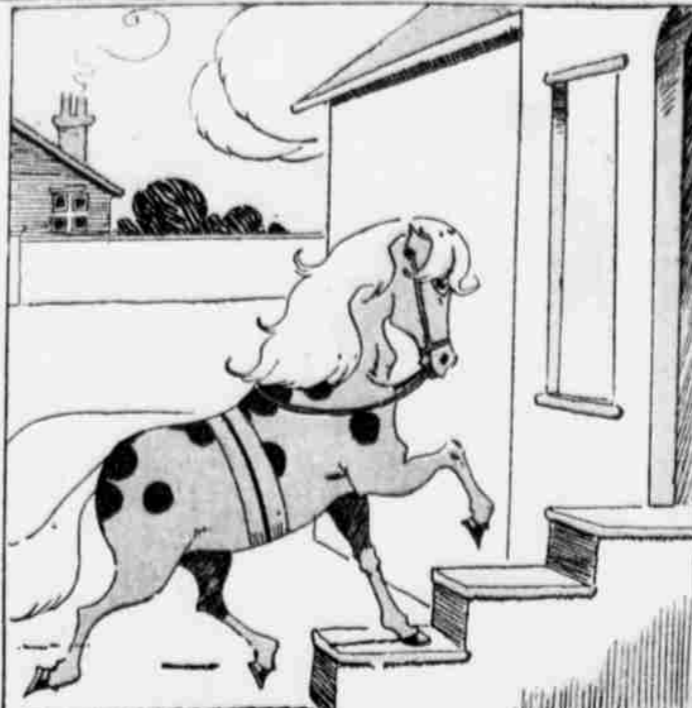

World Color Printing Co., St. Louis, Mo.

Saturday the twins drove me into town -

-they went into a photographer's studio and left me out side-

-I wasn't going to be slighted,

-I went in too-

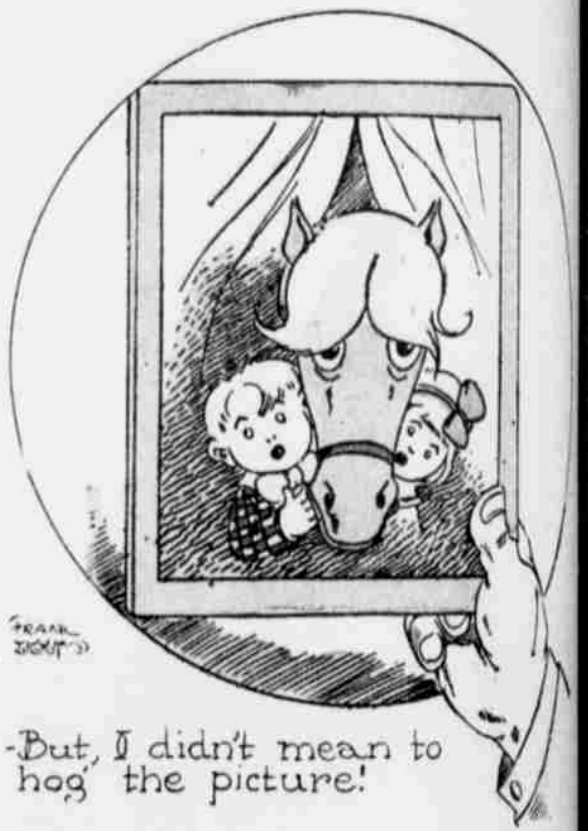

-I hid behind a curtain, and-

-waited till the picture man was ready to shoot, then I-

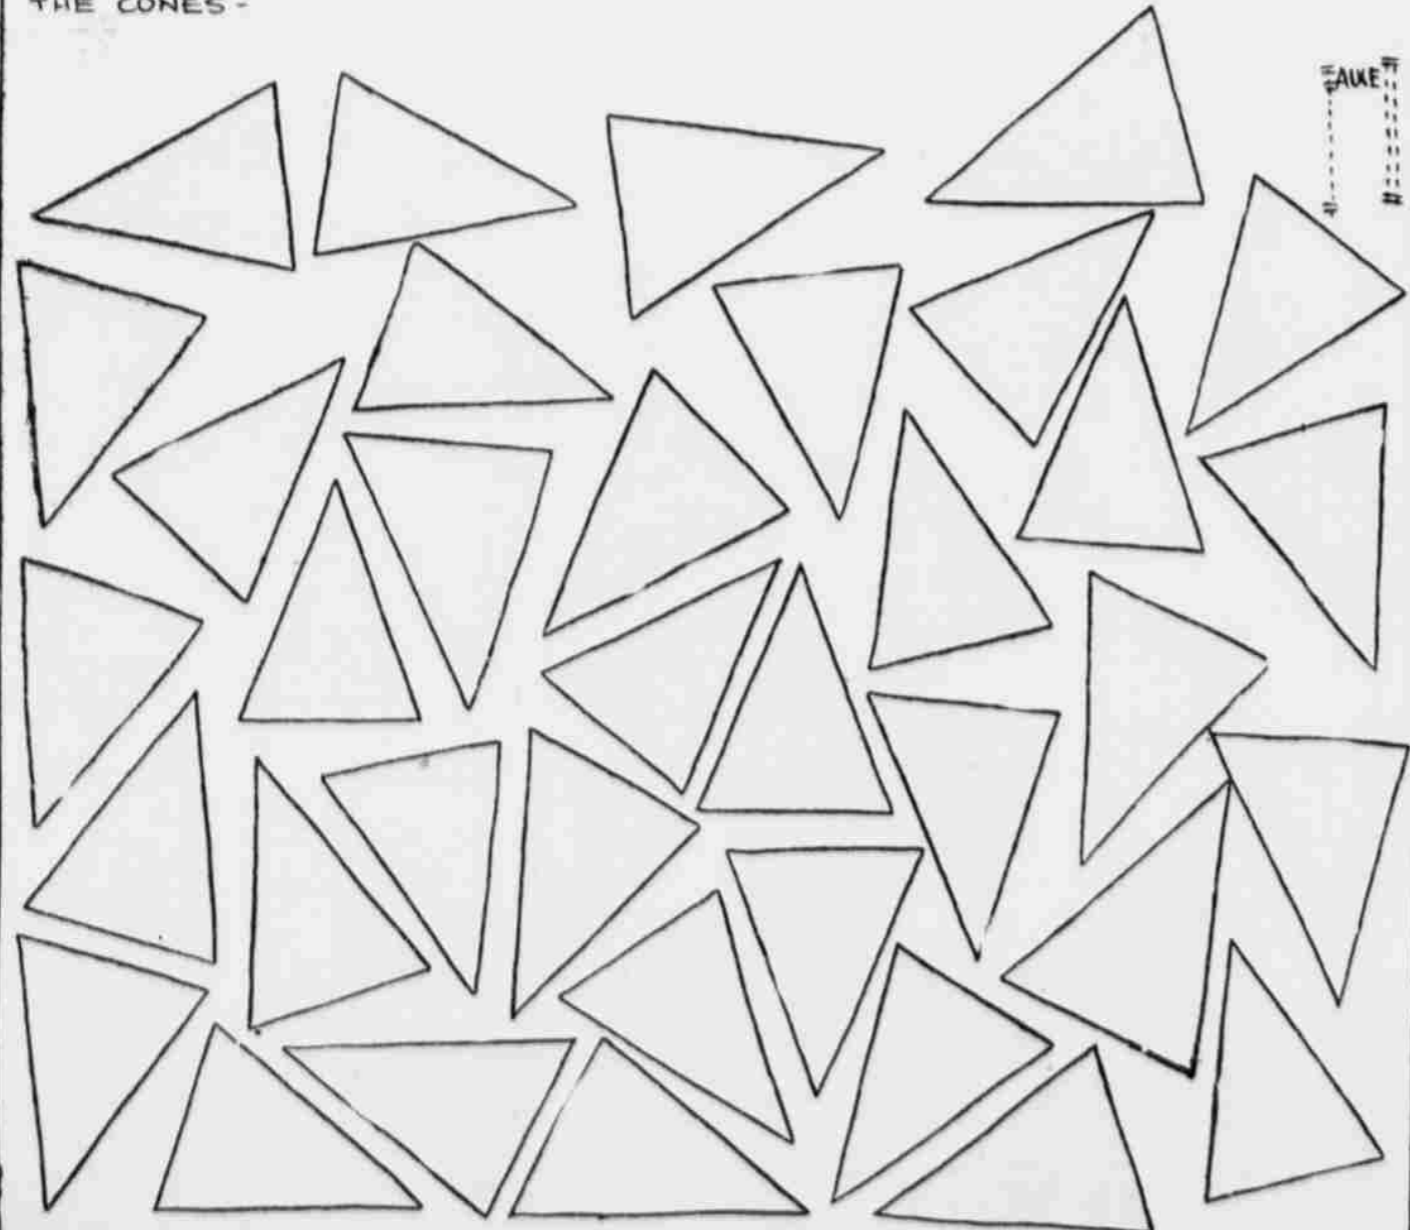

-stuck my head through the curtain-

-But, I didn't mean to hog the picture!

ANNA BELLE Loves Her School Teacher

Dear Friends:—I thought my school teacher would be glad for you to see her, so true to promise here she is. She is very dear to all of us and I'm sure if we only do our lessons as well as she wants us to, there will be quite a contest for Uncle Ezra's medal. You probably remember the medal I won just two years ago. My chum, Marjorie was second, and I only won from her by one point. Everyone of us have started out just fine, and if I happen to win again I will be very happy. How are you doing in your school work? Of course, most of us are days will soon be here. Every one of my friends who have written report SEWING SOCIETY work doing just fine, and if you haven't sent for your Certificate of Membership, now is the time to do so. Just address me care this paper, enclose a two-cent stamp for postage and I'll be only too glad to send you one. We want to keep up the good work we've started. Lovingly,

Anna Belle
