

# Ha! Ha! Duke Gets Votes For Andy!

World Color Printing Co., St. Louis, Mo.

Tubby Thomas is trying to be elected Captain of the football team! He is getting votes this way!

Andy and a friend fixed up a scheme to beat him—

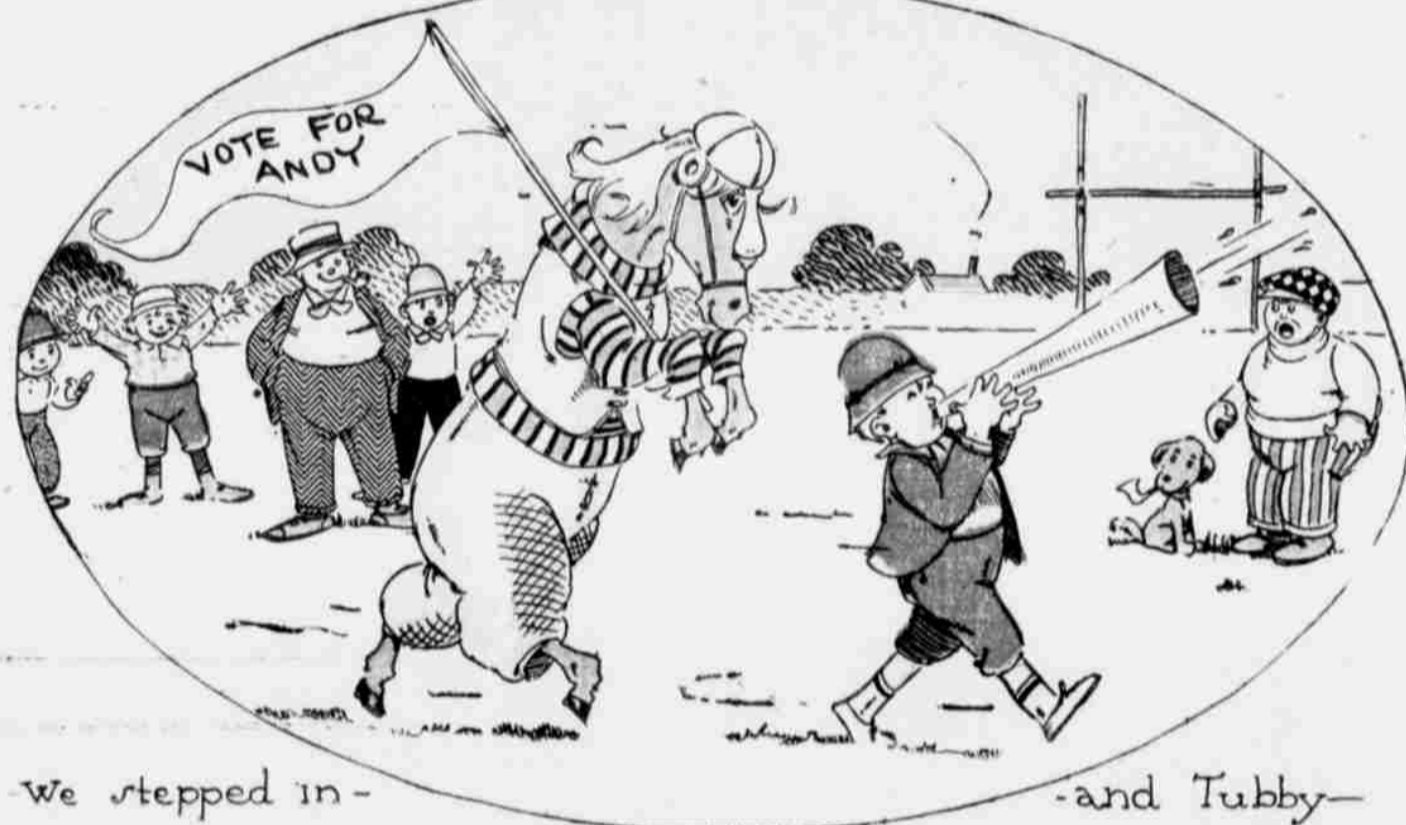

Andy went to big Butch Bowers—

—He used to be center on a football team. Butch got his old football boots and we all went out to the ground—

—and just as the boys started to vote for Tubby—

—we stepped in—

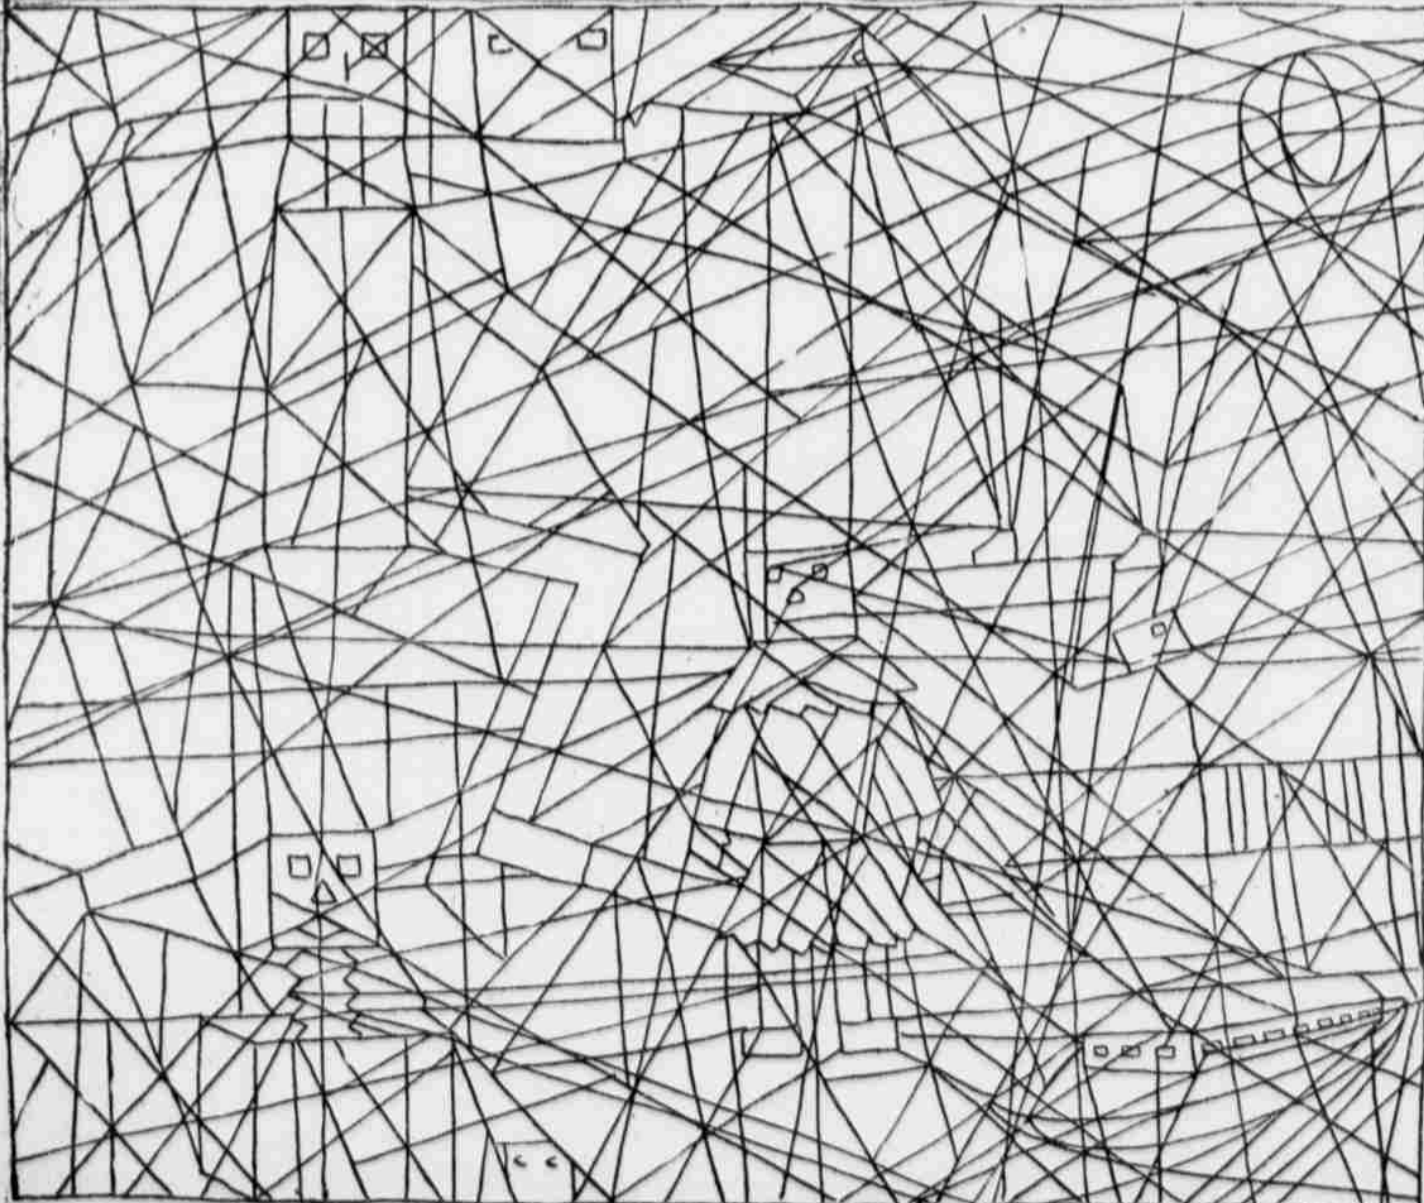

—and Tubby—

—took a swim in Salt River!

## ANNA BELLE Has Some New Clothes

Dear Friends:—All of us like new things, so of course you know I'm pleased with my new clothes—Marjorie also has some new ones and I'm showing you one of her dresses—I do believe Marjorie and I are bigger chums than we've ever been for since school started we have studied our lessons together, although both of us are contesting for the medal which dear Uncle Ezra is offering. I wonder how you are doing in school work, but of course, you're doing well as I know you study hard and endeavor to do your very best. That is all any of us can do and though sometimes we may seem slow to catch the idea in everything if we always follow teacher's advice we can't go wrong. I have the dearest teacher this year. I know you must think I talk a great deal about her, but I just can't help it. She always seems to think of what good things she can do for us and she has succeeded in making each of us love her very dearly.

Good reports continue to come in concerning the progress in SEWING SOCIETY work and this good news should make us very happy. The cold days will now be with us almost before we know it, and we must strive to be prepared to help the poor boys and girls who hardly ever have anything nice except maybe at Xmas time when a tree is given for their benefit. We ought to be very thankful, indeed, for the good homes and good daddies and mothers we have and be willing to divide with children who haven't anything. Now I must close for this time, dear friends, hoping to hear some more good news from you real soon. Just address me care this paper. Lovingly,

Anna Belle
