GIFTS WITH A PERSONALITY

THOUGHTFUL people begin considering their Christmas gifts and the loved ones they want to remember long in advance.

They plan gifts that have their personality in them. Perhaps it is a picture, a bit of lace, a piece of embroidery, jewelry, some bead work, an odd bit of furnishings.

They make the gift in whole or in part, themselves. And now is the time to select the needed materials.

Suggestions such as you seek will be found from time to time in the columns of The Coos Bay Times
