

Protecting You

The homes of the West are eloquent testimonials of the high favor of Ghirardelli's Ground Chocolate.

That is where it is constantly tested—tried and proved in actual daily use—as a beverage or an ingredient in an infinite variety of recipes.

You are always protected when you order Ghirardelli's, the original ground chocolate. As a beverage it is delicious, strength-bestowing. Because of its easy assimilation, it is equally good for youth or old age.

Like all popular food successes, Ghirardelli's Ground Chocolate has imitations. Your protection is in what is inside the Ghirardelli can. The label is the index.
