Modart Corsets

Front Laced

At dinner, at the theatre or on the street, the MODART wearer is charming to look on and perfectly at ease as to her appearance. The absence of laces at the fack of the MODART gives form and wonderful smoothness for gown-fitting. No ugly lines at bottom of corset showing through, nor laces to mar the beautiful back lines.

positions. In "Danny Deever" number with a brief synopsis of the story which it depicts. The "Spirit Flower" was most beautifully sung and "Irish Names" and "The Stuttering Lovers" provoked a great deal of amusement. Mr. Hunt was called upon for encores. Mr. Sevely played two groups in his most excellent manner. The pure classic by Handel "Melody" was one of the most interesting numbers and the "Humoresque" is always a favorite Sarasate's Zigunerweisen," a difficult and taxing number was enthusiastically received by the audience and Mr. Sevely had to respond with the "Orentals" by Cui. "The Bee" by Schubert which sounds just exactly like the buzzing of a bee was a marvel technically and musically. The violin group ended with the Polonaise in D by Wieniawsky.
