Relieves District Attorney.—Attorney General Brown has rendered a decision to the effect that it is no longer the duty of District Attorneys to foreclose tax liens, save when they are held by the counties. An act was passed at the last Legislature repealing a law imposing such a duty on them, he said.

Rides Some Distance.—By the aid of a cyclometer one of the local messenger boys has been able to determine that he rides, on an average month, close to 1,000 miles. Sometimes he goes over this, sometimes a little under, all according to the weather. This distance would in four or five months take him across the continent to New York, or half way around the earth within the 12 months.

Ben McMullen Ill.—Ben McMullen, of Myrtle Point, head of the cruising department of the C. A. Smith Company, last evening suffered an attack of heart and stomach trouble. While chatting with Dr. Dix, Frank Laise and some other friends he suddenly collapsed but soon recuperated. He is able to be up and around today and blames the trouble to some salmon he ate yesterday.

Start Campaign Tomorrow.—Ben Fisher, president of the Fellowship Club, has announced that the membership campaign will be launched in the morning. There will be five teams in the field and the contest between them for the largest number of members will be waged until December 1 when the winning team will be banqueted by the losers. The club now has 107 old members and an effort will be made to increase the number to 200 strong.

DISCUSS HIGHWAY
COMMITTEE APPOINTED AT A MEETING THIS AFTERNOON
Will Consider Some Plan of Action to Start Project for Military Coast Road
The committee appointed to adopt some plan of action to start the project of a military coast road, the members of which were appointed recently at a banquet at North Bend, held a meeting in Marshfield this afternoon.
Frederick Hollister is chairman of the committee. This was the first meeting and the members will talk over some plan of campaign.

IS WILLING TO RUN
W. A. REID SAYS HE WOULD ACCEPT HARMONY NOMINATION
Carl Evertsen Says He Will Not Run for Mayor But Will Accept Re-election to Council

W. A. Reid who has been talked of as a candidate for mayor said today that he would be willing to accept a "harmony nomination" for the office. He said that he was not an aspirant for the office but that if the people thought that he should accept the office and if his candidacy would eliminate a bitter campaign, he would accept the nomination.
Carl Evertsen stated positively today that he would not be a candidate for mayor under any circumstances. However, he said that he had decided after considering the requests of friends to be a candidate for reelection to the council.

So far, no other candidates have been brought forth for the various places to be filled. The primary election will be held next Monday, November 8.

Lake Fish Case.—Somewhat similar to the Joe Fish case, wherein the Spokane authorities turned the man loose while a deputy sheriff from here was on his way there, is the case of J. Austin Hooper who has just been freed by Governor McGovern of Wisconsin. The man is a "lifer" at Potosi prison and escaped. He made several robberies in Oregon and escaped the sheriff in Grants Pass one night and now has made his way back east and after being picked up was turned loose again. The Oregon authorities are highly indignant over the proceedings.
