## BORN

ASPLUND—To Mr. and Mrs. C. W. Asplund, of North Eighth street, Ferndale, a son, their first child. Mother and baby are doing nicely and Mr. Asplund is all wreathed in smiles over the advent of his child.

Elks Give Smoker.—The Elks are tonight entertaining their members and friends at a smoker and general good time in the lodge

## SUNRISE AND SUNSET

Wednesday  
November 17.—Sun rises at 7:15 and sets at 4:38.

rooms. It is said that several little stunts have been arranged for visitors and it is expected there will be a goodly number present for the festivities.

Field Secretary to Speak.—Mrs. Jones, Field Secretary of the Christian Women's Board of Missions will arrive here to-morrow morning, and in the afternoon there will be held a meeting at the home of Mrs. W. A. Reid, at which she will speak to the Marshfield members and any others who are interested in the work. A musical program will be given in connection.

Finds Heavy Weather.—Gust Anceon found the weather mighty heavy last evening and the going a trifle hard. He tried to stem the blasts that blew down Front street, but in stowing away his balast, put a little too much to starboard and picked up by Office Shoupe with a horrible list. He spent the night in the Hotel de Carter and this morning promised a fiver for the general fund.

Killed in War.—Mrs. E. A. Eickworth has received word of the death of her nephew, Adolf Johannsen, brother of Miss Anna Johannsen, in the war. He was a member of the German Landstrum and was shot while on sentry duty. It occurred about midnight, and death was instantaneous. The letter did not say where he was serving at the time of his death. Mr. Eickworth has also lost some relatives in the war.

Would Recover Loan.—Suit was instituted in the justice court today by Jim Tjagarakis against John Tjagarakis for the recovery of \$50 said to have been loaned the defendant many months ago and which he is claimed to refuse to pay. The latter conducts a coffee house on North Front street and this was attached. He was advised by his attorney to deposit the amount with the court that he might open his place of business and fight out the suit later.

Tax Question Bothers.—The Bandon charter restricts the councilmen there from making larger than a 10 mill levy to run the city, said John D. Goss, who returned this morning from a business trip there. The amount to be so raised will not pay the expenses of the city in 1916, he says, and now the city councilmen are wondering what must be done. He said there is some talk of making a tax on the business men, but this may meet strenuous opposition.

## SEEKS LOCAL JOB

R. B. MURDOCK OF PORTLAND, WOULD BE ROADMASTER

Comes Here Highly Recommended and is Young Man of Much Experience

R. B. Murdock, of Portland, arrived here from Portland today to make application for the position of County Roadmaster in Coos County. He has long been identified with the construction of the Columbia River Highway and had charge of the re-locating of the road. He brings recommendations from John B. Yeon, the millionaire roadmaster of Multnomah County, and County Commissioner Holman, of Portland. He is a young man but has had much experience in highway work. Edgar McDaniel, of North Bend, who made an inspection trip over the Columbia Highway, says the work on that road is sufficient recommendation to qualify him for any position.

## SUCCESSFUL EVENING NETS GOODYLY AMOUNT

Ladies of St. Monica Altar Society Entertainment Was Well Attended Last Evening

The entertainment of the St. Monica Altar Society held last evening on the first floor of the O'Connell building was well attended and is said to have netted in the neighborhood of \$26.

There were close to 90 people that attended during the evening. For those who did not care for the dancing, card tables were arranged.

A large Victrola afforded the music for those wishing to try the "light fantastic" and there were many who did.

Much amusement was gained in the exploration of "mystery" packages sold for 25 cents apiece, "unsight, unseen." The women of the society were highly complimented on their work.

## LEVY IS 11 MILLS

SCHOOL TAX IS 2.6 MILLS UNDER THAT OF 1915

Voters Pass on Tax at Public Meeting Last Evening — Budget for Year About \$40,000.05

Eleven mills will be the school tax levy for 1916. This was passed unanimously by a small group of voters of the district meeting last evening at the Central School. Nine mills will take care for the current expenses of the year and the additional two mills, which was passed by the school board this afternoon, is for the purpose of paying the interest and \$600 of the principal on the school bonds which amount to about \$76,000.

The levy of 11 mills is a reduction of 2.6 mills from the levy of last year, that totaled 13.6 mills. The extra amount was needed to take care of the new gymnasium at the high school.

Expenditure during 1916 of \$40,999.55 is called for in the budget as read last evening by Judge John Hall, clerk of the district. The voters who were present and voted for the tax levy were Dorsey Kreitzer, G. W. Kaufman, Matt Stenholm, Dan E. Maloney, F. A. Tidgen, A. T. Haines and John F. Hall.

Made Money — The Christian Church ladies took in about \$200 at the dinner and bazaar in the old Orpheum building last Friday.

College Men Walk In.—Ray Bryant, of the University of Oregon, and Bryan Turner, of the University of Kansas, have walked in here via Mableton and the Willamette Pacific grade from Eugene. Bryan has gone to work at Camp 1, of the Smith-Powers company. He is a senior at the university and last year was star twirler on the baseball team, and for two years played fullback on the first eleven.

Tree Blocks Road.—On the other side of Laird's Station on the Coos Bay Wagon road to Roseburg a giant fir tree toppled down the mountain side and plunged headlong into the road, carrying away a good section of it and entirely blocking the stage coming this way yesterday afternoon. The passengers had to walk five miles to a stage on this side and arrived into Coquille too late to catch the train last evening for Marshfield.

Setting Is Even.—C. W. Glick, who came in from Eugene last evening, says that the betting in Eugene is even that the Oregon eleven will beat O. A. C. on Saturday. Optimism there is prevalent not only in the ranks of the students but the townspeople as well. Despite the heavy scores of O. A. C. this year the Oregon contingent is figuring heavily on the "Jinx" to beat the Aggies.

CAPT. OLSON SENDS CONGRATULATIONS VIA WIRELESS

Compliments Mr. and Mrs. Henry Black on Golden Wedding Anniversary—Message Relayed

Sputtering through the wind and rain last night from the steamship J. A. Chancellor, somewhere off the Oregon Coast, came a wireless message, relayed from Captain B. W. Olson, of the Adeline, to Mr. and Mrs. Henry Black, congratulating them on their golden wedding anniversary and wishing them many more happy years together.

Mr. and Mrs. Black were greatly surprised when Operator Williamson, of the local Marconi station, called them up last evening and delivered the message.

The Adeline is somewhere down the coast, being due into Coos Bay tomorrow some time. Inasmuch as the wireless was dated on Monday it is believed that Captain Olson was pretty close to San Francisco, on his way to Oakland.

## ASK NEW STATION

NEED SUBSTANTIATION . . . . . POSTMASTER HUGH MCLEIN TO RECOMMEND MOVE

Would Be Placed in Downtown District—Rural Route Will Be Opened January 3

Establishment of a sub-postoffice station somewhere in the downtown district will be recommended to the Postoffice Department at Washington, according to Postmaster Hugh McLain. He has received the necessary blanks and expects soon to forward them to Washington with his recommendation as to where the station should be placed.

At such a station could be sold stamps, letters could be registered and mailed, thus eliminating long walks often to the postoffice during bad weather. Many cities of this size and over have such stations, it is pointed out.

New Rural Route  
An order for the establishment of the rural mail route through Bunker Hill, Millington, Libby and Eastport has been received by Mr. McLain and this route will be opened for the first time on January 3, 1916.

This is the most congested rural mail route in the United States having a total of 250 families to be supplied. There will be no need of an examination for carrier for already there are a list of eligibles at the local postoffice who have passed the civil service examination. The man receiving the post will have to furnish his own horse and rig.

The deliveries will be made daily, where generally such routes are tested out at first with deliveries of only three times a week.
