ANNA BELLE Helps At a Church Supper

Dear Friends:—Our church has just built a new addition and of course they're in debt for a part of it. The other night mother and several other ladies of the church gave an old-fashioned supper to help clear up the debt and I wish you could have seen the crowd we had. Marjorie and I helped with the tables, and I'm glad to say that I didn't spill a thing. The reason I mention this is that when dear Uncle Ezra and I were taking our trip around the world we happened, or rather Uncle Ezra happened, to an accident in this way. We were in a swell cafe in Paris when the waiter stubbed his toe and a big bowl of soup landed in Uncle Ezra's lap. Of course, the manager came and apologized, but Uncle Ezra, the dear old fellow, just laughed and said it wouldn't have been so bad, but it wasn't his soup. You may know we were treated royally in that cafe ever after that time, and the manager wouldn't take a penny for it either.

If you haven't written for your Certificate of Membership now is the time to do so. Just address me care this paper, enclose a two-cent stamp for postage and I'll be glad to send you one. Or, if you're an officer in your SOCIETY will send as many as you wish for yourself and members. Remember we want to do a great work this winter, and now is the very time to make preparations for it. Some poor people will have a hard time of it when the cold days come and our SEWING SOCIETY should do all it can for them. Let's all join in and each do their little part and we'll be surprised at the great good we can accomplish. Write as soon as you can, dear friends, for you may know your letters are eagerly read by your loving,

Anna Belle
