A. Smith Lumber & Manufacturing Company Add Another Work Day to Week

mployes Will be Able to Earn Twenty-five Per Cent More Wages

ONDITIONS ARE IMPROVED

Mill at Aberdeen It, Is Reported Will Soon Start—Story of Lane County Who Wants a Billion Feet of Fig.

The C. A. Smith mill opened toafter the Thanksgiving vacation d now goes on a regular five day instead of four days a week as seen the plan for some time The mill will operate every excepting Saturday when it will ed down.

This means that the employes il earn twenty-five per cent more tput of the plant will be increased enty-five per cent. The adding another day of work to the week as due to a somewhat improved addition of the lumber market. Will Hold Excess Here

For the present the company will me only the steamer Adeline Smith the run with an occasional vessel take lumber to southern Califora to fill orders there. Any excess unber which cannot be shipped unthese arrangements will be piled here until the return of the commy steamer Nann Smith, which is s expected will return to the Coos y run about Feb. 1

Reported Raise There was talk about the city that ere had been another raise in the ice of lumber Saturday. Superin-ident Arno Mereen of the Smith mpany said that he had not as yet eived any official notification of recent raise, but before leaving difornia on his last trip found the mber condition, better, a fact hich caused the mill to go on a five

SEEK BULLETS HERE WOULD DEFINE NEW ORLEANS FIRM WANTS TO

BUY ENTIRE LOCAL SUPPLY Will Also Take High Power Guns— Offer From New Orleans—Be-lieved They are Meant for Villa

Offering to buy up cartridges in three classes, up to 500,000 in each class, and high-power military or semi-military rifles in any numbers, the National Arms Com-pany, of New Orleans, is addressing letters to hardware dealers. One of them has just been received by the Marshfield Hardware Company It is believed the arms are for the

armies of Villa in Mexico. The classes of bullets asked for are those of the 30-30, the seven millimeter and the 30-40 calibre as well as the 303 Savage calibre.

May be For Mexico. Recently the United States recognized Carranza as President of Mexico, and at the same time put an embargo on the importation of arms and ammunition to any but his armies. The result has been to leave Villa and other guerilla bands without a source of bullets and guns. It is thought barely possiis nothing to indicate the purpose

Also it is pointed out that jobbers are given instructions not to sell except to bona fide dealers. The letter, which is signed by Charles E. Jones, manager, goes on to say that if the local ifrm is unable to secure what is asked for maybe they will order them from "sporting goods dealers, hardware jobbers or wholesale grocers, who might be able to handle lots of from 5000 to 25,000 bullets in each class. Offer Cash Payment

Payment would be for cash and the company also asks what freight would cost in salpping and how should be held in April, Neff said today that his company will probably have nothing to do with the offer. He believes these Unable to go on Henry Ford's Euletters are being sent to various
