

A Merry Christmas

HE CHRISTMAS SPIRIT is the sprit of giving; the sense of doing something for somebody else to whom we want to give pleasure. We wish you the compliments of the season and hope that in our business relations the measure of your satisfaction has been as large as ours. We wish also to express our thanks for your patronage and good will and hope that we may ever merit its continuance through all the Christmasses to come,

May Your Tomorrow be One Long Day of Pleasure

Christmas Greeting

We want to take this opportunity through the columns of this paper to thank you most sincerely for all the favors which have been extended to us during the past year, and likewise to convey to you the fact that we have endeavored to be appreciative of the business which has been given us. We have dwelt continually upon the fact that we are striving to give SERVICE to our customers, and we sincerely hope that we have proven to you that our efforts along these lines have been successful.

As the opportune moment has arrived for us to extend the season's greetings, we want to do so most sincerely, and will ask you to accept from our firm our very best wishes for a Merry Christmas and a Happy New Year, and may the very pleasant business relations which have heretofore existed continue in the future for many years to come.
