GOOD LUMBER OUTLOOK

BRIGHT outlook for the lumbermen of the Pacific Coast Alis taken by the Pioneer Western Lumberman of San Francisco, which says editorially.

"Standing on the threshold of 1916 and looking into the future. lumber manufacturers and the allied trades have every reason to believe that they are entering into a busy and prosperous year.

"The Pacific Coast, and particularly California, has been the last section of the country awakening to the increased demand and improved prices for all classes of commodities. Among these lumber, the largest industry on the Coast, is on the upward trend, and while it still has a considerable distance to go in order to reach a point that is perfeetly satisfactory, the indications are that such a desirable result will be realized early in the new year. be realized early in the new year.'

"I found immediate relief in the use of Foley Ridney Pills, have recom-mended them, and do not know of a single instance when they failed to give relief."

C. U. Landrum, a traveling malesman, writes from San Angelo, Texas: "Driving over rough roads and in all kinds of weather gave me acute pains in the back and I suffered greatly. I found relief in the use of Foley Kidney Pilis, and before the first bottle was used, the pain in my back had entirely disappeared and I have had no recurrence of those pains which frequently amounted to almost neuralgic proportions."

When backache comes on, and it seems as if you can't stand the pain and pressure in your back, you will find quick and grateful relief comes with the use of Foley Kidney Pills. They stop the cause of the pain, case the stiff aching joints and muscles, and clear the poisons out of your system by helping your kidneys and bladder to normal healthy action. C. U.
