EUROPEAN WAR ONE YEAR AGO TODAY

JANUARY 9, 1915.

The British cruiser Invincible sinks the German battle cruiser Von Der Tann off the Brazilian coast. Germans mass great forces in Poland for an attempt to capture Waraw.

JANUARY 10, 1915

Rumania makes further preparations for war. The British occupy Lille, which was evacuated by the Germans.

MUNICIPAL OWNERSHIP WINS

EDITOR FISHER of the Salem Capital Journal is one of the able newspaper men of Oregon who regards his paper as a quasi-public institution and devotes it to the best interests of the community.

The news of the purchase of the local distributing system of the Oregon Power Company at Eugene by the municipal plant of that city has been given out.

"When the people of Eugene entered upon a program for the ownership of their light, power and water plants, they met opposition of the most bitter and obstinate kind, at the polls where bonds were proposed and in the courts, on every possible pretext.

The water system was first acquired by purchase and next an electric power and light plant was installed, which proved a success from the start.

Yes, "Money has wings" as the old saying goes and these January bills make it fly.

When a Coos Bay man gives serious thought to getting married he seldom does it.

Some choose the death of the hero On the far flung battle line; Some seek the death of the martyr For cause they deem divine.

And sprinkle the right of way With the ashes of my clay.

WITH THE TOAST AND THE TEA

GOOD EVENING

Judge every word and deed which are according to nature to be fit for thee; and be not diverted by the blame which follows from any people nor by their words, but if a thing is good to be done or said, do not consider it unworthy of thee.

CHEERING SOMEONE ON

Don't you mind about the triumphs, Don't you worry about fame; Don't you grieve about succeeding, Let the future guard your name.

There's a lot of sorrow round you,

It is hungering for the fellow Who keeps cheering others on.

When the conquerers decay,

In the souls you've saved from pawn

A sense of humor is that which makes you laugh at something that happens to somebody else which would make you angry if it happened to you.

WILLIAM'S CHOICE

Some choose the death of the hero On the far flung battle line; Some seek the death of the martyr For cause they deem divine.

On the dear old S. P. Line.

And sprinkle the right of way With the ashes of my clay.

—WILLIAM KARDELL

and those other things which are dead investments and balk at investments in public utilities which will pay interest, operating expenses and a clean profit besides.

The editor of the Capital Journal is pleased at the outcome in Eugene because of the prominent part he took in the fight for the right of the people to manage their own affairs in a business-like way.

NEWS OF NEARBY TOWNS

SHIP MANY CALVES FROM COOS COUNTY

California Buyers Pick Up 132 Head In Coquille Valley—Other Stock Being Taken Out

One hundred and thirty-one head of calves were taken out of the East Fork country last week for shipment to Watsonville, California. They were purchased by Mr. Speedwell, of that place, and driven to Roseburg over the Coos Bay wagon road.

L. P. Brandstetter went to Marshfield Monday to arrange with the North Pacific Steamship company for transportation of cattle from Coos Bay to Eureka. Mr. Brandstetter finds there are a number of cattle owners in the Coquille valley who are short of feed. The shipment will consist of two-year old steers and dairy cows.—Coquille Sentinel.

GOLD BEACH NOTES

News of County Seat of Curry From the Globe

On January 1, 1916, a boy was born to Mr. and Mrs. Wilhite, of Gold Beach.

Attorney J. Huntley, after a month's visit with his children, combined with business in Coos County, returned home Saturday evening.

The night of December 28 was the coldest night recorded in Gold Beach for years. At daylight the thermometer registered 23 above zero. The cold spell was ushered in by a heavy gale from the north, very unusual in this place.

PROBATE LOCAL ESTATES

Mrs. Lizzie Bentz Left \$2,100 and Samuel Lingren \$2,600

In the case of the estate of Lizzie Bentz, of Marshfield, who died Dec. 8, Julia Durrant was appointed administratrix and W. J. Rust, Minnie Ludwig and Hilma Grandell appraisers. There is \$2,000 of real estate and \$100 of personal property in this estate.

Samuel F. Lingren, of Marshfield, was appointed administrator of the estate of Caroline S. Lingren, deceased. There is \$2,600 of personal property, but no appraisers were appointed.—Coquille Sentinel.

DIE NEAR COQUILLE

Mrs. Wm. Trigg, aged 81, died at the home of her daughter, Mrs. Geo. S. Davis, near Coquille last week. Frank Guthrie, aged 77, another pioneer, died at his home in Fishtrap last week.

PAROLED TO EARN HIS FINE

Instead of presenting the case of E. J. Haynes, for beating a board bill at Powers, to the grand jury, Mr. Liljeqvist yesterday sent him down to Justice Stanley to be tried. There he pleaded guilty and was sentenced to pay the \$19.25 he owed Geo. Craig, and costs enough to bring the whole amount up to \$27. This he promised to do and as he has work now, probably will. He is to report to the justice every week until this account is settled.—Coquille Sentinel.

GALLIER MAY RUN

Stephen Gallier, of Bandon, expects to make a try for the republican nomination for sheriff at the May primaries. So far he is the only opponent in sight for Sheriff Johnson on the republican ticket. Mr. Gallier held the office of sheriff here ten or twelve years ago.—Coquille Sentinel.

MOVES TO COQUILLE

William Betts is now making his home in this city, having moved in from Fairview on Wednesday. He has been in this county about forty years, and says the present rainy spell lasting from the eighth of November for sixty days is the longest he ever remembers.—Coquille Sentinel.

NEW FERRY MANAGEMENT

The Coquille ferry, which under the skillful operation of John McNair, has clunged its way to fame and won for itself a place in the hearts of all, has passed under new management. Maynard C. Tozier is the man at the helm, and assisted by his brother, Harry B. Tozier, will dispense hospitality to the wayfarers and listen to their troubles during the present year.—Coquille Sentinel.

INCREASE SHERIFF'S BOND

This year the sheriff's office will have to do all the tax collecting, and as a result Sheriff Johnson's bond has been increased from \$20,000 to \$40,000.

STEAL MANY CHICKENS

Thieves Raid Many Roosts in Coquille Valley

Mrs. Chas. Anderson, the wife of the S. P. section boss, has become discouraged about the chicken business that she wants to sell out and quit. They live on the MeAdams place, a couple of miles west of town and she lost 28 fine Plymouth Rock chickens Sunday night. They were taken by prowlers whose tracks were traced to the river and evidently came and went by boat. Considering the amount of work and money it takes a woman to raise and care for a flock of fowls, the chicken thief must be reckoned about the meanest and most contemptible of all. And yet so extensive has this kind of depredation grown that at Bandon the stolen birds are peddled from house to house.—Coquille Sentinel.

MARRIAGE LICENSES ISSUED

Wm. G. Elliott and Winifred Parsons.

Clare Leroy Dement and Jennie Shull.

Michael P. Summerlin and Mrs. Beryl Kinnicutt.

William G. Wood and Frances E. Bailly.

MIKE SUMMERLIN WEDS

Last Tuesday Justice J. J. Stanley performed the ceremony which made M. P. Summerlin and Mrs. Beryl Kinnicutt, of Myrtle Point, husband and wife. This is the bride's third matrimonial venture and we hope it may prove a happy one.—Coquille Sentinel.

NATURALIZATION DATES

Judge Coke has set the following dates for hearing the petitions of aliens to be naturalized as American citizens in the Circuit court here this year: April 17, September 3 and December 8.—Coquille Sentinel.

FARRIN ENTERS PLEA

Former Marshfield Man Arraigned in Portland

The Oregonian says: "G. N. Farrin, attorney, charged with obtaining money by false pretenses, was arraigned before Circuit Judge Kavanaugh Friday morning and entered a plea of not guilty. The time for hearing was not set. He is represented by W. T. Hume."

JERKED THE STICKS OUT OF HER

Last Friday the steamers Grace Dollar, Elizabeth, Fifield and Brooklyn left with lumber and ties for the south. The Grace Dollar had the Esther Buhne in tow, the latter, an old three-masted schooner, having been sold to San Francisco people. The Esther Buhne was heavily loaded with ties, and according to a report brought here by the Speedwell Monday, her tow line was broken while off Eureka and she lost her deck load and two masts. The information was picked up by wireless. It is believed, however, that the Grace got another line to the boat and succeeded in taking her on south. The sea was very rough.—Bandon World.

PINK NEW YEAR'S GIFT

Councilman and Mrs. Chas. Skeels are being congratulated on every hand on the birth of a son last Thursday. It was a New Year's gift that made all others pale into insignificance.—Coquille Sentinel.

MANY COUNTY BOARDERS

A few weeks ago the register at the county jail only showed two people there; but recent additions have brought the number up to eleven, and the grand jury was recalled on Wednesday to pass upon six or seven new cases.—Coquille Sentinel.

Old Folks Saved From Suffering

Mrs. Mary A. Donn, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."

Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night, and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."

Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am 61 years of age, I feel like a 16-year-old girl. Foley Kidney Pills are tonic, strengthening and up-building, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs."
