

THE TWO WAYS

I said: "Let me walk in the field;"
God said: "Nay, walk in the town;"
I said: "There are no flowers there."
He said: "No flowers, but a crown."

—George McDonald.

Among The Schools

MARSHFIELD SCHOOL NOTES

"Some Aspects of Germany and the German Kaiser," a lecture by Katherine Koch Gagnon, High School Auditorium Friday, February 25 at 10 a. m. Visitors are welcome.

Washington's birthday is not a school holiday in Oregon.

M. H. S. basket ball team left for Myrtle Point and Bandon Friday night, and Bandon, Saturday night.

The new window boxes in the senior room are the work of the manual training department.

Grades Athletic League indoor contests began this week. We noticed some very creditable running-high jumping by the boys of the fifth and sixth grades.

The sophomore class held its rhetorical Friday night. The speakers and their subjects follow: As the Moon Rose... Gladys Crawford Arbaces to the Lion, Gwendolene Tower Stage Driver's Story... Helen Rees Prince of Illusion... Ruby Carlson Billing's of 49... Helen Immel War... Esmond Glossop The Race Problem in the South... Wilfred McLain The Curtain Lifted, R. F. P.... Emmet Mayne Battle of Gettysburg, George, Hongell. The judges were Mrs. Katherine Koch Gagnon, Mrs. Reidor Bugge, Attorney J. T. Brand.

Rudolph Hillstrom, one of the good swimmers of the school, has kindly consented to conduct a class in swimming for grade boys.

Inter-class basket ball has started. The juniors played the faculty, Wednesday.

Students in General Science are giving illustrated talks to the class on assigned topics. One of the interesting topics of the week was given by Mayse of the freshman class.

Boys of the grades have been taken in classes to the several banks this week where talks were given on accuracy, neatness and the accumulative power of money.

Washington's Birthday Programs appropriate to the day will be given in both schools February 22 at 2:00 o'clock p. m. Visitors are welcome.

The G. A. R. and S. of V. will attend the high school exercises; the Spanish-American war veterans will attend the Central school exercises.

High School Song—"America Triumphant," Demorent... Mrs. P. E. Conway Accompanist, Miss Lucie H. Powell Fifteen minute talks: Some Attributes to Washington... Rev. J. S. Stubblefield Memories of the Past... I. S. Kaufman My Country "The of Three... Mrs. Chas. I. Reigard Song—"The Sword of Bunker Hill"... Rev. J. S. Stubblefield All Flag Salute... Grade Children

The following are a few records made this week in the Grades Athletic Contests (indoor) at the gymnasium: High School Groups Class A, bar vault—Harold Post, 4 feet, 2 inches. High jump—Donald Allen, 4 feet, 2 inches. Class B, bar vault, tied at 4 feet. Edgar Mausey, Kelley Wals, William Krolizer, Alfred McElroy. High jump, Edgar Mausey, 3 feet, 7 inches. Seventh and Eighth Grades Class B, bar vault, tied at 4 feet. Intyre and Irwin Yake, tied at 4 feet, 8 inches. High Jump, Stewart McIntyre and Forrest Greig, tied at 4 feet. Central School Notes Only one of the groups in this school have been run off. Class C, bar vault, Roderick O'Connor, 3 feet, 8 inches. High jump, George Perry, 3 feet, 8 inches.

There has been a decided change in the weather, which now permits the scholars to take up their outdoor sports. They have organized two base ball teams, and are taking advantage of the good weather. The freshet has left quite a bit of sediment along the river banks, but no particular damage was done to the school grounds.

Hazel Cowan has started back to school, much to the delight of the school. The Botany class is spending its laboratory time in the planting of different kinds of seeds in window boxes, which they have placed in the laboratory windows. They are to watch the growth and change of the plants. Both flowers and vegetables were planted, the boxes were labeled so that they might know the plant as soon as it is seen above the dirt. The class is waiting patiently for the spring flowers, as they are to study them.

The physical geography class is studying globe lessons in physical geography, from their laboratory manuals. They are making a special study of the stars, sun, and moon. Attention has been given to the stars, they are studying their positions in the sky and learning to recognize the number of different planets. They expect to start studying standard time from the laboratory manual in a few days.

The girls' swing gave way last week, when Daisy Robinson was swinging. She fell but was not hurt badly. Lincoln's birthday was remembered Friday afternoon by a program in the assembly room: Story of Lincoln... Alden Baker Lincoln's Gettysburg Speech... Ervin Storm Lay of the Last Minstrel... Mary Smith Song—Valentine... Grade Girls Songs, by School—Tramp, Tramp, Tramp; Marching Through Georgia; Battle Hymn of Republic.

The students who are taking typewriting have been taking speed tests this last week. Some of the students can write over sixty words a minute on practice work.

School Supervisor F. A. Golden visited the Coos River High School on February 16th. He spent the most of his time in the High School room, but visited all of the rooms during the day. In the afternoon the school assembled in the assembly room and Mr. Golden gave a general talk on the school work.

The Coos River High School boys have organized a base ball team, Sam Smith was put in as manager. A game with the grade boys will be played the 17th or 18th. The following list will perhaps be the lineup: Pitcher—George Bessey, Catcher—Sam Smith, First base—Walter Lilenthal, Second base—Alden Noah, Short Stop—Ivy Noah, Third base—Longo Stimmerman, Right field—Lorence Bessey, Center field—Hutton O'Connor, Left field—Russell Church, Subs—Hazen Price, Ervin Storm, Leo Vincamp. Parrot Goes Back—"Polly" was a good looking parrot when she came to the fire station. Her plumage was green and she could chat a little bit, now and then. But it was a hard life at the station. Polly had several duties to perform. One of them was to run back and forth through the large connection hose on the auto trucks to see that the birds didn't make their nests inside. And in addition to this had to stand the "kidding" of the boys. The other evening a messenger boy came, called for Polly, and cage and all, left a few minutes later. When Polly bid good bye she had only two or three tail feathers left.
