ANNA BELLE'S Valentine Party

Dear Friends:—I'm giving a valentine party this year and I think they're more fun, don't you? There are so many good games and puzzles to play and solve at this time and all of us like to do things like that. Each of us brought a funny valentine and after putting them in a large box with a hand hole in it everybody took a grab for their valentine. It was lots of fun to see what each would draw.

I hope your SEWING SOCIETY is doing a great work during this time of year, for it is now that we can do our most good. I get lots of encouraging letters every day and I'm sure if hard work and kind thoughts will get us to our goal we are sure to succeed even greater than we expect. I am very proud of the success we have had so far and it is my own dear friends who have done it. If you haven't joined in the great work send for your Certificate of Membership today. Just address me care this paper, enclose a two-cent stamp for postage and I'll be only too glad to send you one. Lovingly,

Anna Belle
