W. Bennett, John S. Coko, J. A. Matson, Dorsey Kretzer, E. K. Jones. It is planned to have each member of the Millicoma Club to confer upon a lady a permanent membership in the ladies' organization and as soon as the members have conferred the ladies memberships the ladies' committee will call a meeting of the ladies to effect a permanent organization. The board of governors offered the use of the club rooms to the ladies exclusively one afternoon a week if desired but upon conference with the ladies committee it appeared that once or twice a month would be sufficient for ladies afternoon club. The ladies' organization plans to give one evening affair each month devoted to dancing, music or cards or such other entertainment as may be desired.
