

You Will Have to Hurry

Don't you know that Easter Sunday will soon be here, and what is Easter without that New Spring Suit? Yes, Dad and Harry, you will have to have a New Suit, and I want you to go to THE FIXUP and have your measure taken. You will look better and feel better when you get that "Million Dollar Look," and that look goes only with the ROYAL TAILOR MADE Clothes. We are thoroughly familiar with the great success these people have had over the entire United States and made no mistake when we sought the agency for this locality.

They have expressed to us a line of Spring and Summer Suits which are remarkable for their completeness.

The price of All Wool Cloths has advanced from 40 to 90 cents per yard, but we have not advanced our price one cent. We are going to sell you a suit at the same price that they were when you received the samples. We are going through the entire season without an advance. You Will Be Wise to take advantage of this opportunity.

Suits From \$16 to \$45

Place your order now and we will have your suit on the day you name—Get in before the big Easter Rush.

See the big two-page ad in this week's Saturday Evening Post, and then come in and leave your measures. REMEMBER, we are exclusive Marshfield agent for the Royal Tailors.

SUNRISE AND SUNSET

Saturday
March 4. — Sun rises at 6:31 and sets at 5:53.

BORN

PETERSON.—To Mr. and Mrs. H. C. Peterson, of North Bend, February 29, a daughter, their second girl. Mother and child are doing nicely and even if the little miss will have four years between birthdays, she has the unique honor of being the only Leap Year day baby on Coos Bay.

Traveling Men Meet.—The Coos County Knights of the Grip meet at the Owls' hall on North Front street at 8 o'clock tonight to initiate Frank G. Leslie, of Coquille, and Albert Seelig, of Marshfield.

Move to Bay.—C. N. Sargent and family have arrived in North Bend from The Dalles, Oregon, and will locate there. Mr. Sargent is a son of Mrs. Jennie M. Stewart, of Bangor. He is a carpenter.

Will Sing Sunday.—Miss Dorris Galbraith, of Bay Park, will sing a solo Sunday evening in the Pres-

byterian church, at which time the children's choir will resume their singing.

Powers Escapes.—Trainmen, who came in from Powers last evening said that there was not a bit of snow in the town when they left there yesterday afternoon, though there was some in the camps, but not enough to close them down.

Meeting Postponed.—Because of the inclement weather last evening there were only about 30 boys of the Young Americans' club that turned out for the meeting at the Central school. Fred Payne this morning said that the meeting was postponed until next Friday.

North Bend Assessor.—A. E. Morten, formerly of Libby and Marshfield, but for the past couple of years a prominent business man of North Bend, has been appointed assessor for the North Bend district and went to Coquille this morning to qualify. He will make an excellent man for the place. Geo. N. Bolt will assess the Marshfield district, Chas. St. Dennis, the Ten Mile district, and C. H. Dungan the Coos River district, and the assessors will start in Monday.

Has Successful Line.—V. C. Gorst, of Gorst and King auto line, returned last evening overland from Vallejo, California, where he has been for the last three months. He is interested there with Dick Richards, formerly of Coos Bay, in a jitney line from Vallejo out to South Vallejo. Dick Rogers and Ray Campbell are also there driving. There are four cars. The men were successful in competing with opposition because they got out schedule cards, distributed them, and placed their cars on a regular run with a time card. Mrs. Gorst and children are still in the south.

Is to Be Married.—Friends of Harry Edwards, of Bunker Hill, say that he is to be married on March 12 to Miss Mae Conklin, the ceremony to be performed by the Rev. Feskett.

No Mail Comes.—The regular mail train this morning came back from Coquille without any mail and it is believed that there has been trouble again on the road into Myrtle Point. There is a possibility that the train at five o'clock this evening will bring the mail.

U. S. RUBBER CO.'S NEW USCO NON-SKID TREAD TIRES ARE HERE

Geo. Goodrum, the local United States tire dealer, is just in receipt of a shipment of the USCO Tread Tire, and is displaying them in his windows at the garage. They are unlike most tires as the non-skid feature is in the shape of a letter U, thereby allowing the tread to give the wear where the wear comes. The USCO Tread sells for only a few cents more than the plain tread, but has all the non-skid features.

Ride a Bicycle

Women:--

I say it deliberately, women—office women—In speaking of Queen Victoria, Clara Barton, would you say ladies—No—You'd say women.

I am also acting according to precedent (as the lawyers have it) in addressing you last.

HE made man, looked at him, shook HIS head and—made woman.

Isn't it a fact, Miss Stenographer, that you come out of the office at noon and in the evening, feeling listless, dull and sometimes even dizzy? Sitting for hours at a desk with nerves under constant tension, scanning columns of figures or writing out notes is tiring.

How differently you'd feel after riding a mile or so on a Bicycle, with the breeze fanning away that stuffy office smell.

I am frank to admit that bicycle riding can be overdone. So can any other recreation.

A Lady's Roadster

with handlebars permitting an erect position, chain and dress-guards, to prevent skirts being torn or bespattered—A comfortable, hygienic saddle and, best of all—A chance to have some one to look after the oiling and adjusting of your wheel, the inflation of the tires.

Doesn't all this sound enticing? I hope it does, as I have such Bicycles for sale.

A woman friend said to me: Woman (mark you, her own word "women") are not of a mechanical turn of mind and dislike adjusting even the simplest machinery.

All these matters will be attended to for you free of charge at any time, provided you buy a
