Wheel Strays Again.—For the second time in a few weeks H. H. Wilson has lost his wheel. The first time it meandered away it was found in several places and in possession of some boys. The other night it disappeared from the sidewalk in front of his home on Anderson avenue and since then the police have been in a futile search for the machine. Mr. Wilson wonders whether or not boys are again busy gathering in wheels that don't belong to them.

**Is Badly Hurt**—Fred Nelson, who runs the excelsior plant at South Inlet, was badly hurt in a fall, presumably this morning, and word was sent for Mrs. Nelson and the children to come to him at once. It is stated, however, that he is not seriously injured.
