BORN

WALKER—To Mr. and Mrs. James Walker, a daughter, Mr. Walker is the colored tailor at the City Cleaners.

Has La Grippe.—Fred Powers is confined to his home by an attack of la grippe.

To Register Voters.—Ben Fisher has been appointed to assist J. T. Brand in registering voters in this section.

May Go to Idaho.—J. A. Goodwill is figuring on disposing of his place on South Coos River and going to Idaho to engage in mining.

Is Reported Better.—According to word received by Capt. and Mrs. Hans Reed of Ferndale from their daughter, Mrs. J. M. Upton, who has been at Phoenix, Ariz., with her son, Monroe, the latter is now rapidly recuperating.

Libby Coal, \$5.00 ton. Phone 72.

Funeral Tomorrow.—The funeral of Fred Johnson, of North Bend, will be held tomorrow afternoon at 2 p. m., from the Eagles Hall. He was a prominent member of the Eagles lodge and this organization will have charge of the exercises.

Mother is ill.—Harry Hinman and Walter Hinman left overland this morning for Spokane in response to a message announcing the serious illness of their mother. She is from the East and was taken ill while visiting in Spokane while en route to visit Coos Bay.

Auto Roads Good.—Capt. Dunson came from the lighthouse today in his auto and reports the roads are in good shape. Geo. Goodrum says they are just as good as they will be from here to Sunset Bay. Dr. Johnson, who motored to Myrtle Point yesterday says that the road is in good shape with the exception of a short stretch just beyond the Marshfield city limits which needs dragging.

Walk From Cushman.—Horace Rahskopf, of Coquille, and Student Parks, of Bandon, who have been attending the Willamette University, arrived here last night and left today for their homes to spend the ten-day spring vacation. Rahskopf last year won a scholarship to the University when he came out ahead in a debate held to decide the winner. Rahskopf and Sparks walked from Cushman over the new railroad line to Coos Bay.

Interested in Our Roads.—The Chamber of Commerce at Eureka has written J. E. Montgomery here stating that they are interested in the Coos and Curry roads and that there should be considerable travel this year up the coast from their city. A great deal of the touring from the lower part of California branches off to Eureka and by sending them further up the coast they would come through Coos County. An extensive campaign is to be carried out this season to get a share of the touring travel of Oregon to come to Coos Bay.

PERCY LEVAR HAS STROKE OF PARALYSIS

Percy Levar, for the past few years running the Coquille Herald and moving picture show there, suffered a partial stroke of paralysis the other day. His right side was affected and he was unable to speak for a time. He formerly lived in Marshfield and was reared near Sumner.

FOR ENTIRE YEAR 1916

—Any reputable physician is authorized to send worthy poor persons to our store for prescriptions during the year 1916 and we agree to fill them without cost; nothing is required but a note from the physician, properly signed and stating that the patient is entitled to this assistance.

—In this manner we aim to contribute our share toward the public good. Instead of responding to countless requests for little contributions to programs, fairs and bazaars among which we cannot discriminate, we have adopted this plan.

—Let no worthy man, woman or child suffer a moment for want of proper medicine when required.
