ANNA BELLE'S Parents Have a Silver Wedding

Dear Friends:—I know you're glad to know that my dear mother and daddy are celebrating their silver wedding. Of course you know this means that they have lived together for twenty-five years and though that may seem a great long time to us both of them say the twenty-five years have passed very quickly. This is because they've lived so happy and contented with whatever came. I wish you could have seen the beautiful gifts they received. One from daddy's firm we thought was a big joke until the bags were opened. There were 25 bags and when they were opened what do you think?—each one contained 100 silver dollars and a nice note from the president of the firm, telling daddy they wished he and mother would live to enjoy their golden wedding anniversary. They also hoped that he would be able to celebrate his "golden wedding" in years served with the firm. This made everyone of us very happy and daddy said that the note without anything else was a treasure to him.
