ffly Associated Press to Coos Bay Times. I

Confidential dispatches from Ambassador Gerard at Berlin indicate that Germany will make certain sions to the United States in response to the note demanding immediate REPUBLICANS OUTNUMBER DEMabandonment of the present methods of submarine warfare.

Whether the concessions will be sufficiently broad to meet the American demands appears uncertain.

Want To Keep Peace It is understood that Gerard received broad intimations that the German government will go to great lengths to preserve friendly relations with the United States. Try to Find Way

The Berlin government is confronted with finding a way to satisfy the United States without arousing the element which insists upon a relentless submarine campaign.

Gerard's dispatches are of a highly confidential nature and were received during the night.
